"Only what we have wrought into our character during high school, can we take away with us"—Anonymous

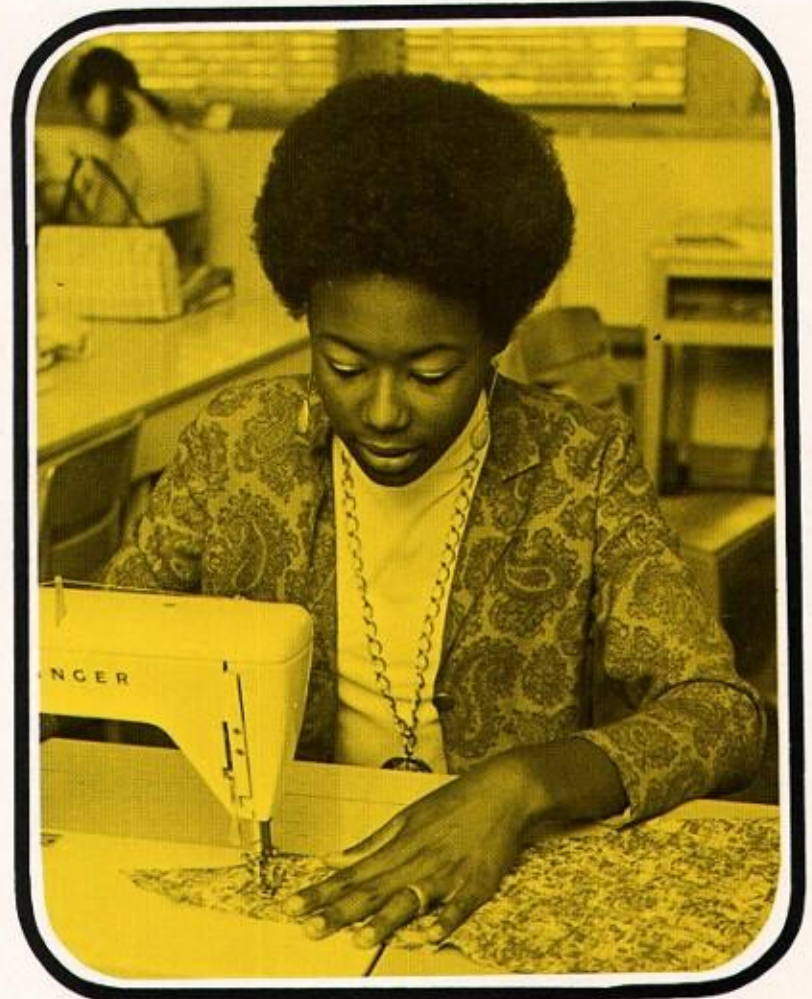

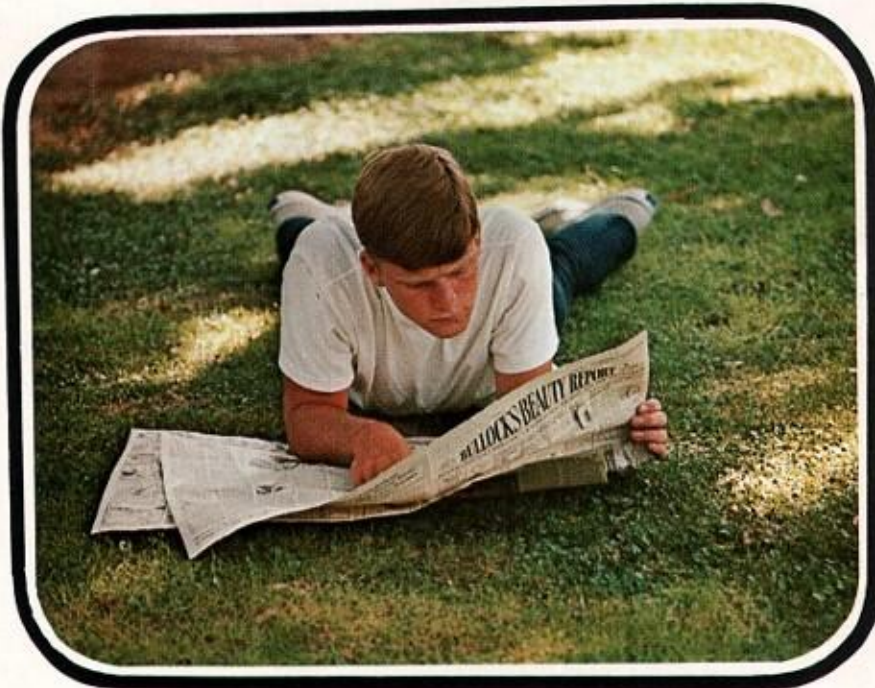

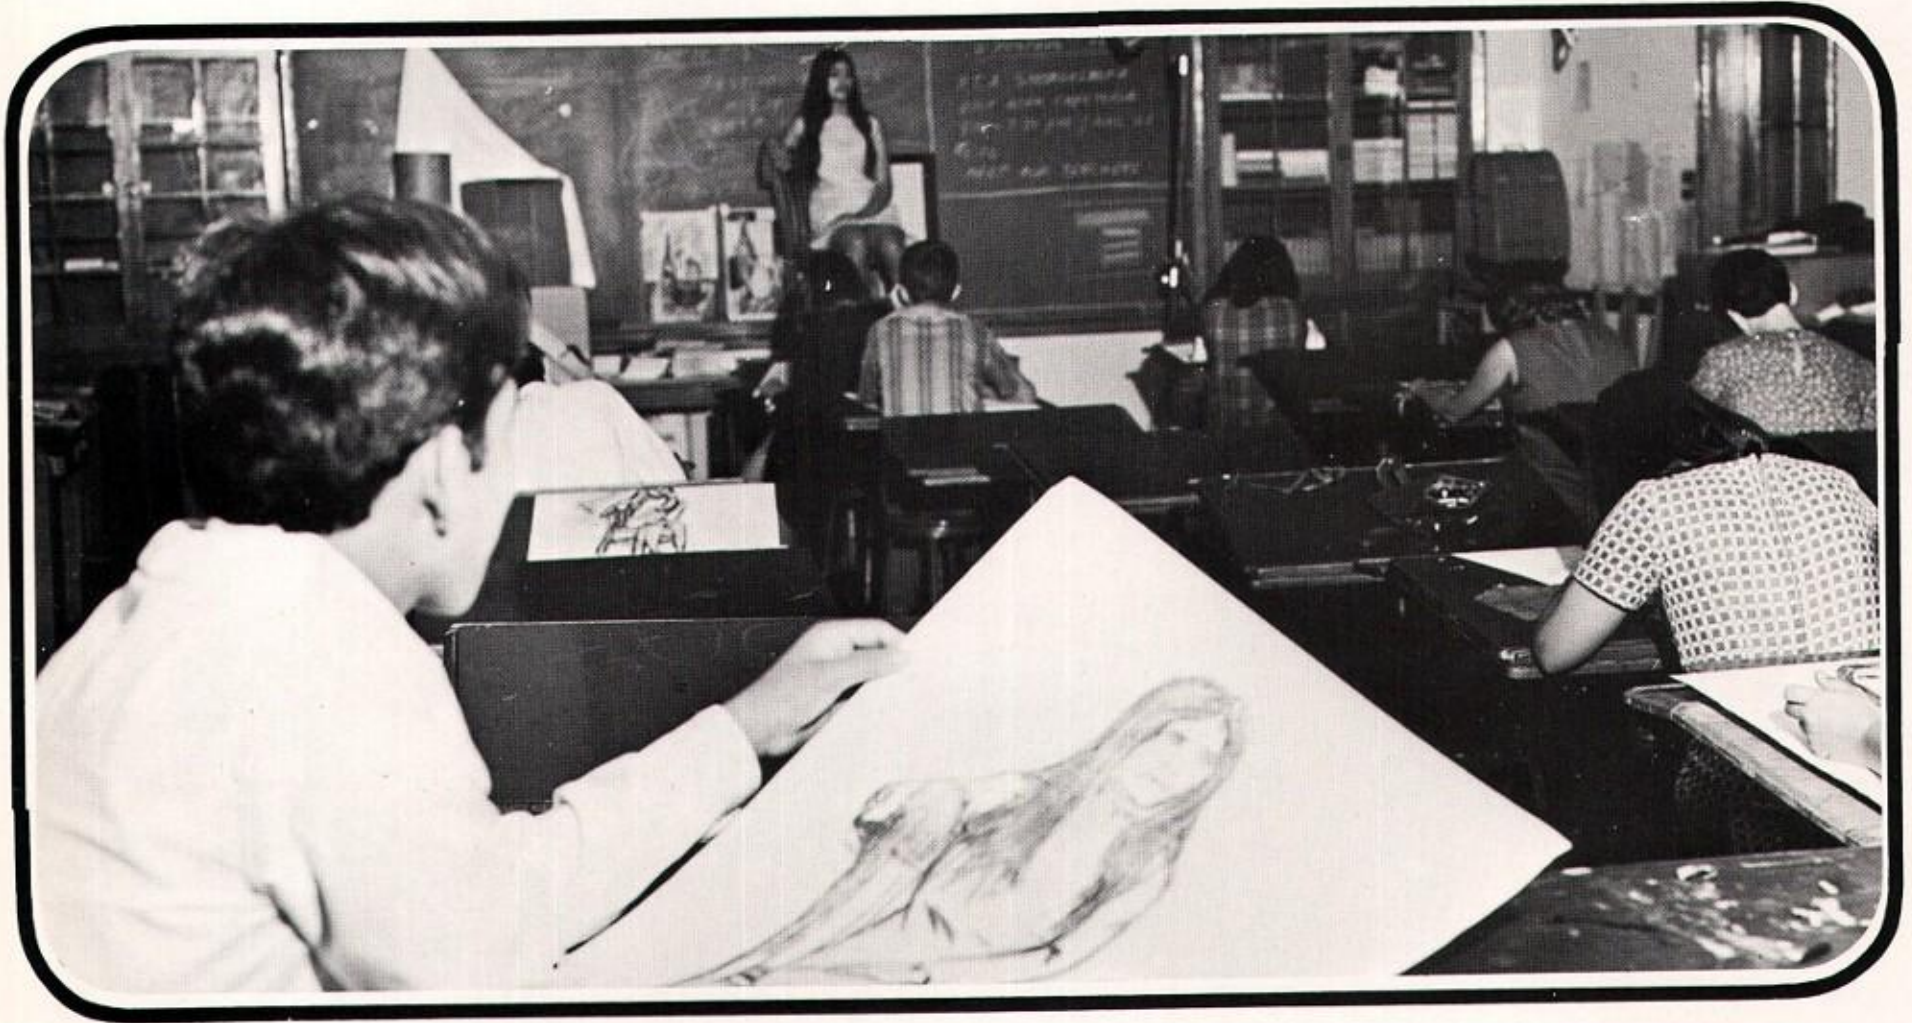

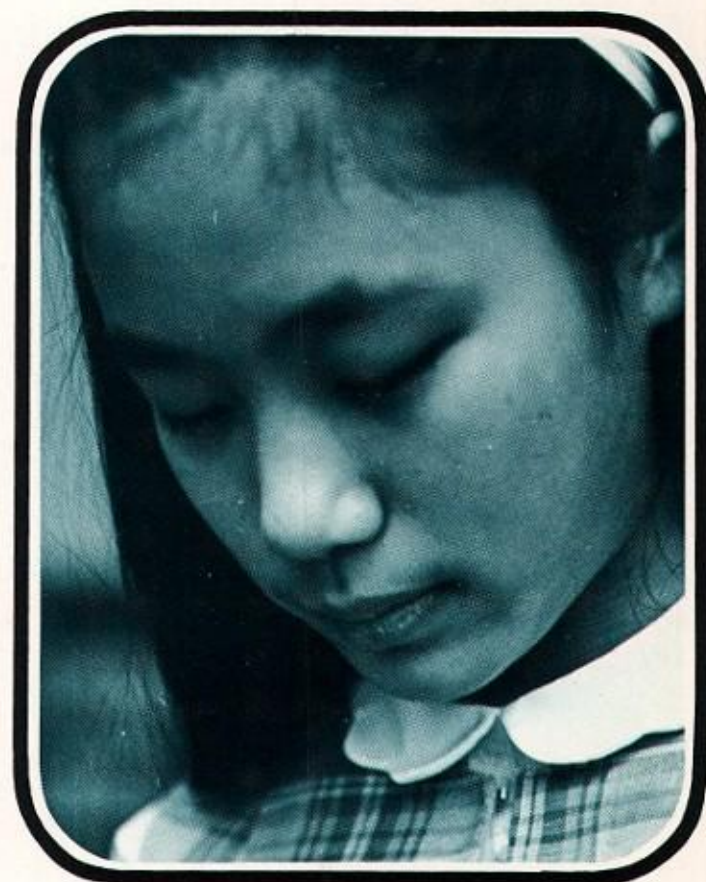

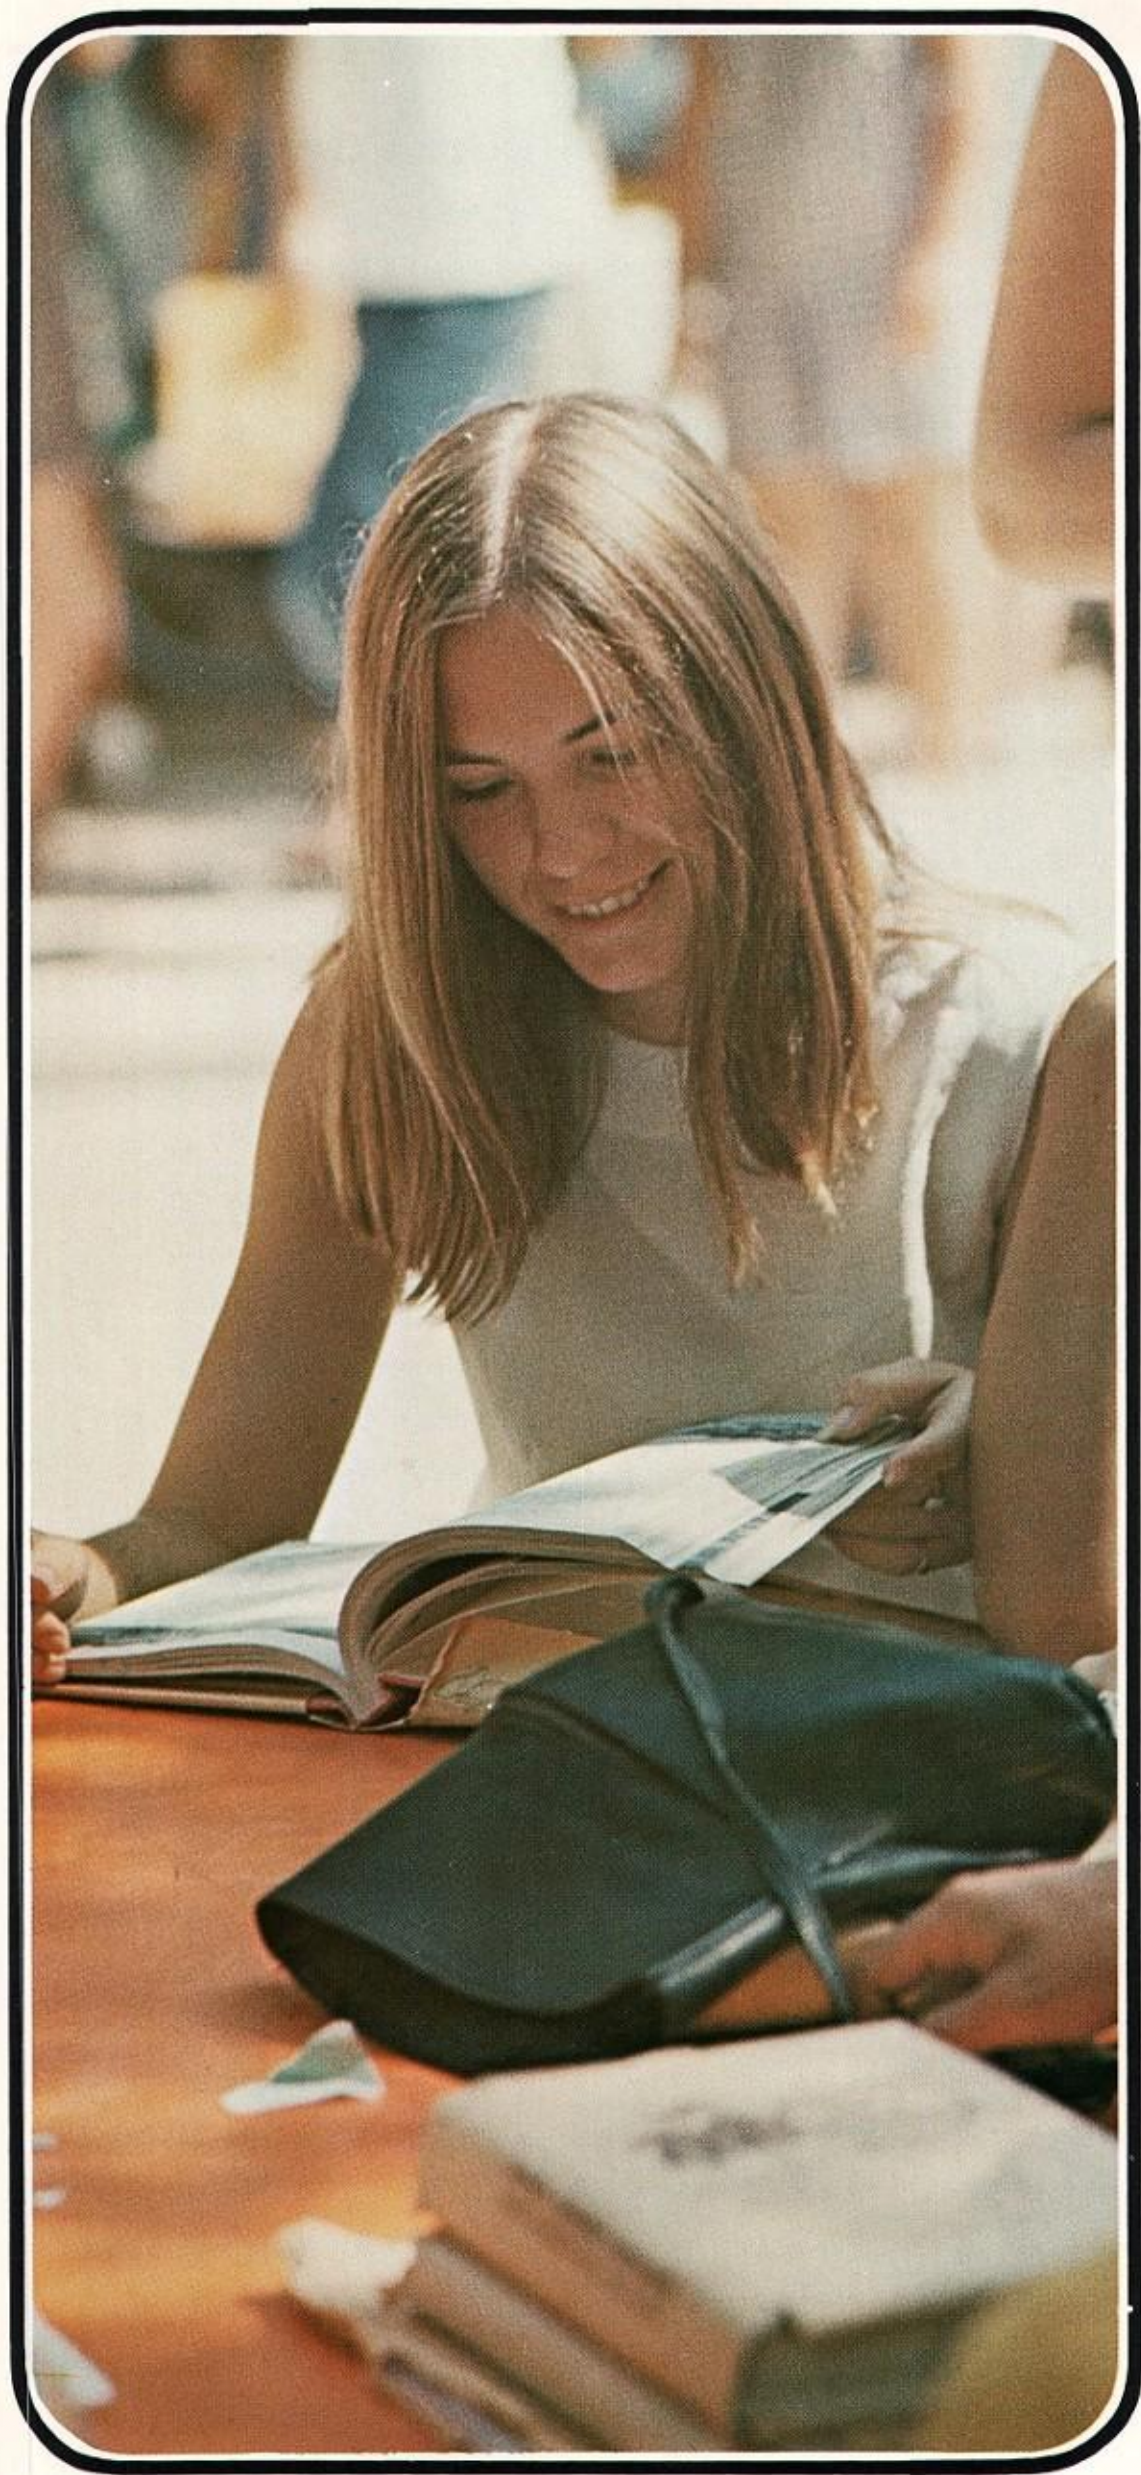

As another year ends, our days spent at East High have aided in the formation of our individual characters. Not only have they helped to prepare us for the future, but they have served as a useful steppingstone toward finding friends through companionship. In moments of both contemplation and expectation, individual characters have a chance to spring forth. To face the problems of the future, we must follow the limitations of man through nature, which God has given us.

"Let us then be up and doing,  
With a heart for any fate;  
Still achieving, still pursuing,  
Learn to labor and to wait."  
Longfellow

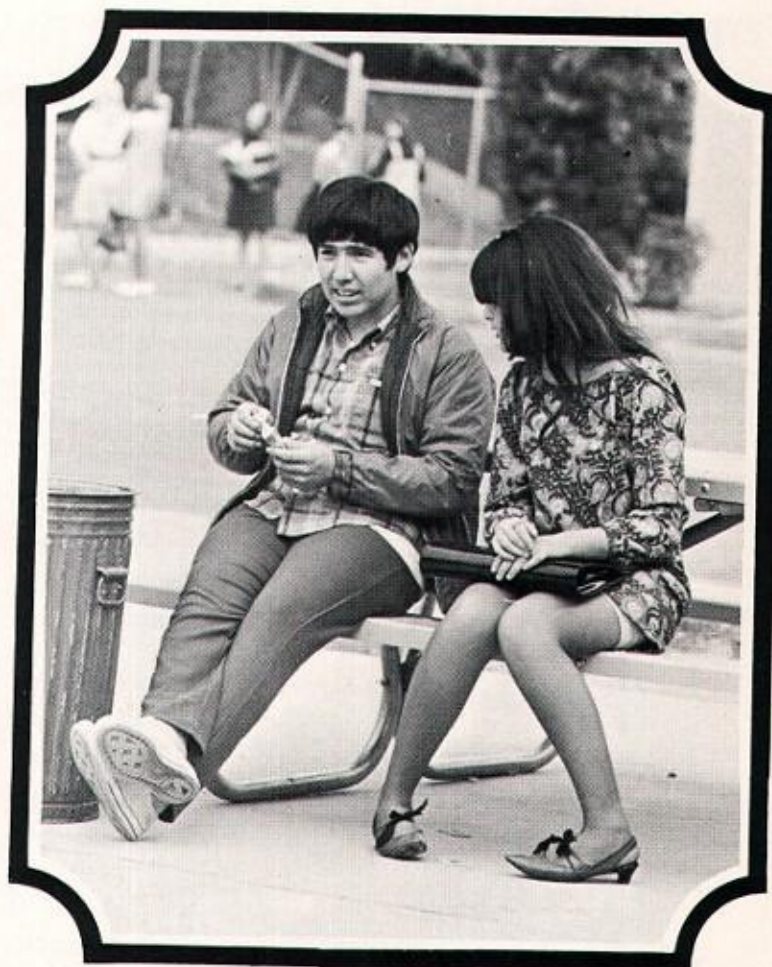

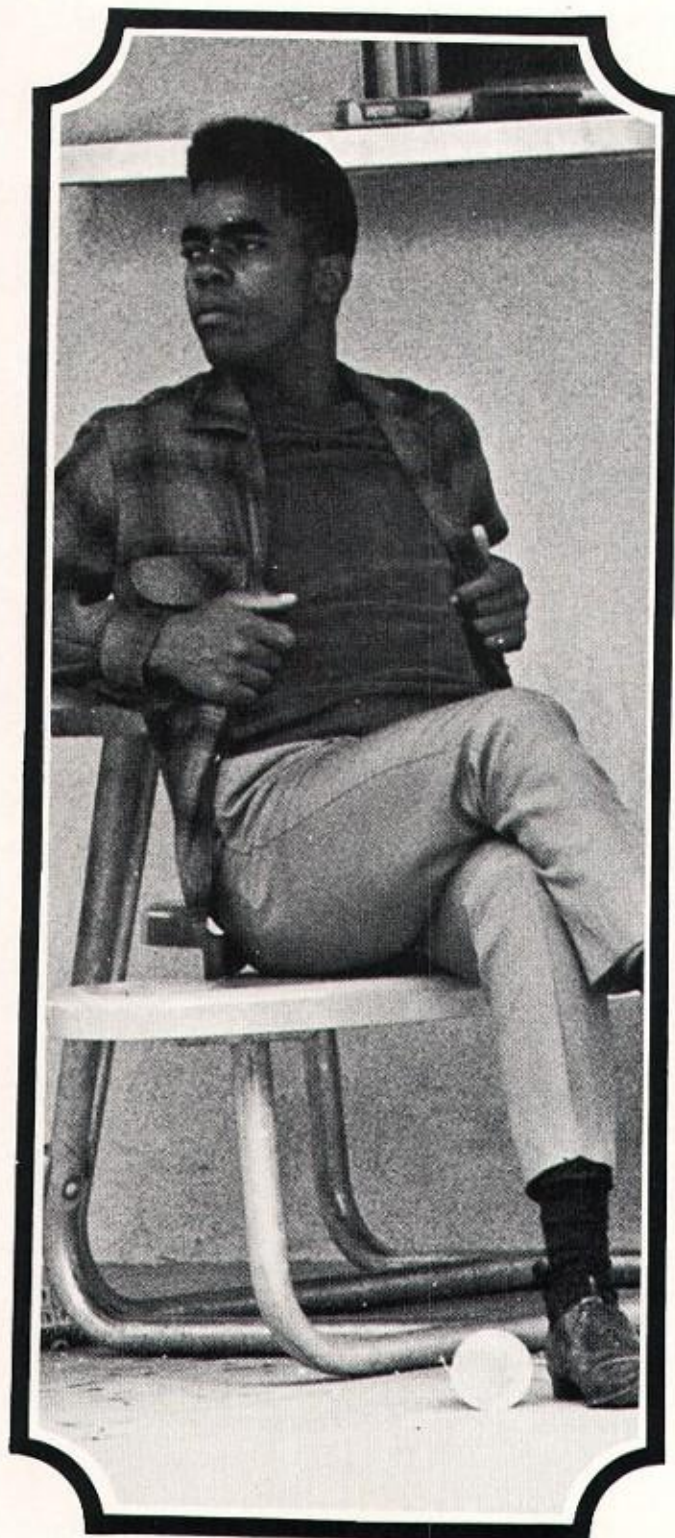

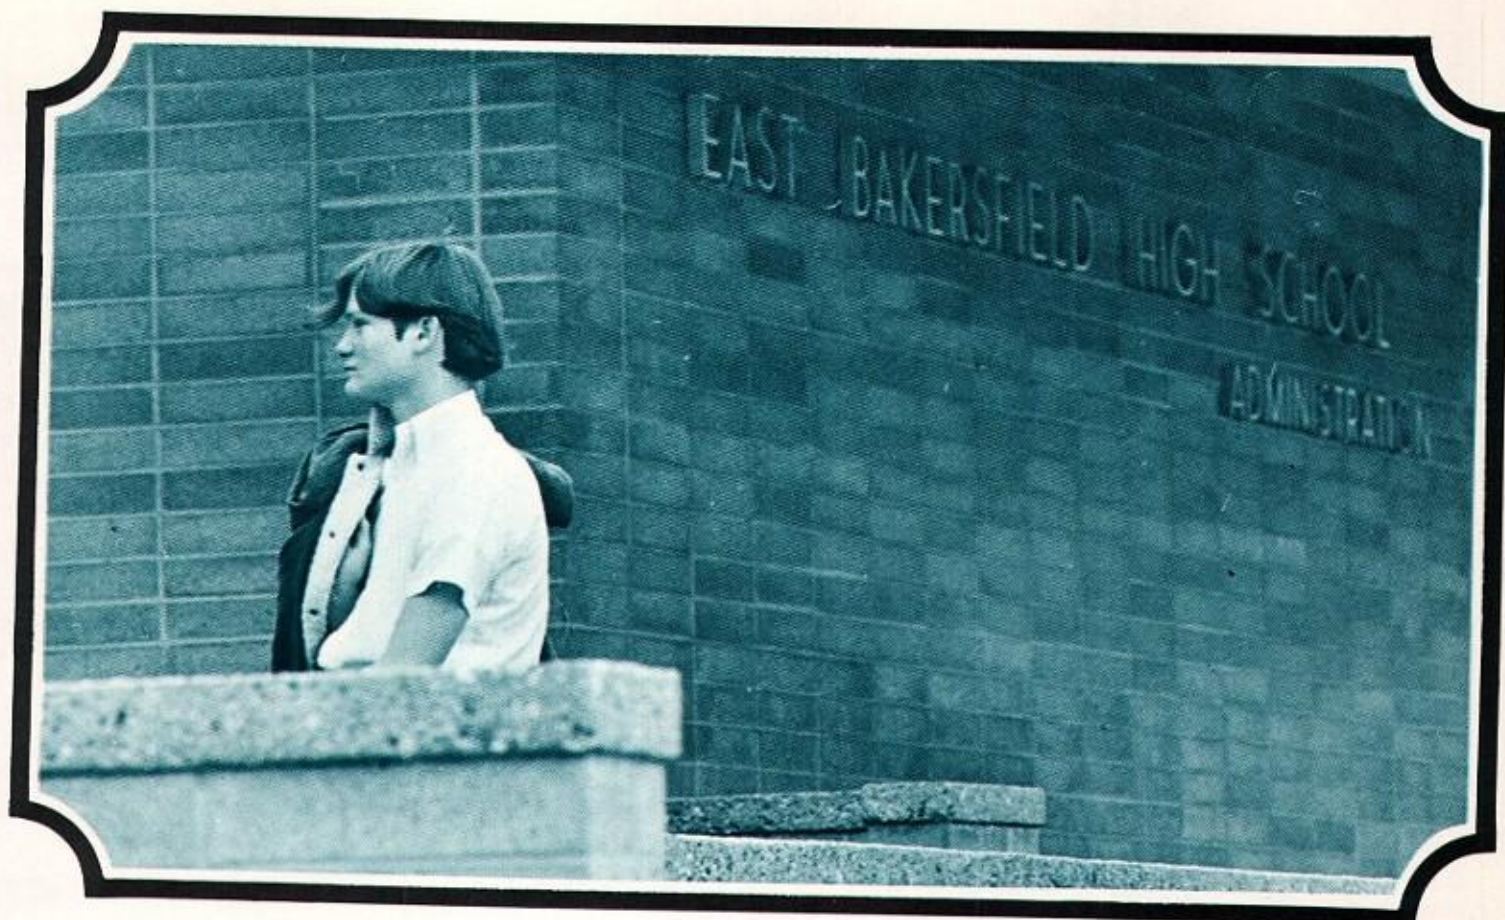

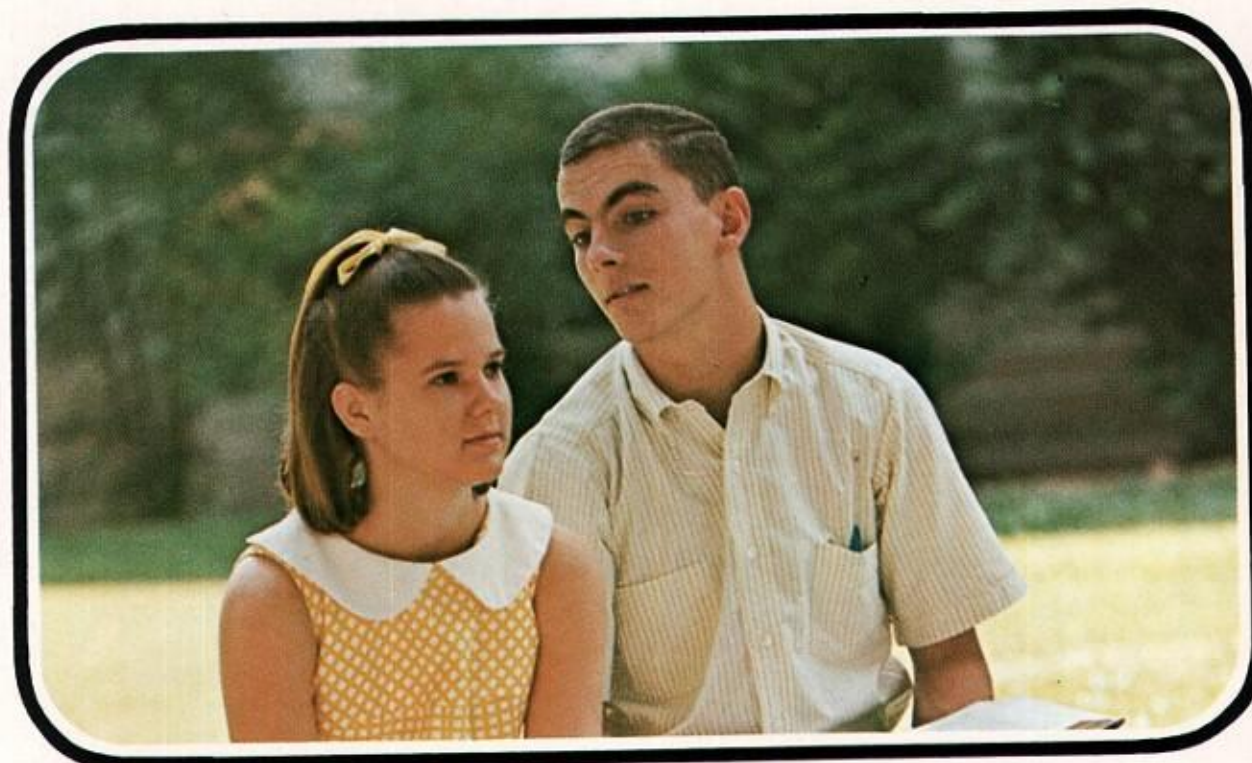

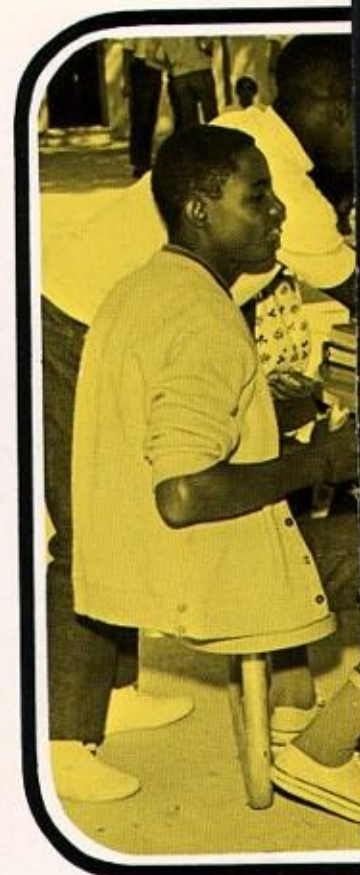

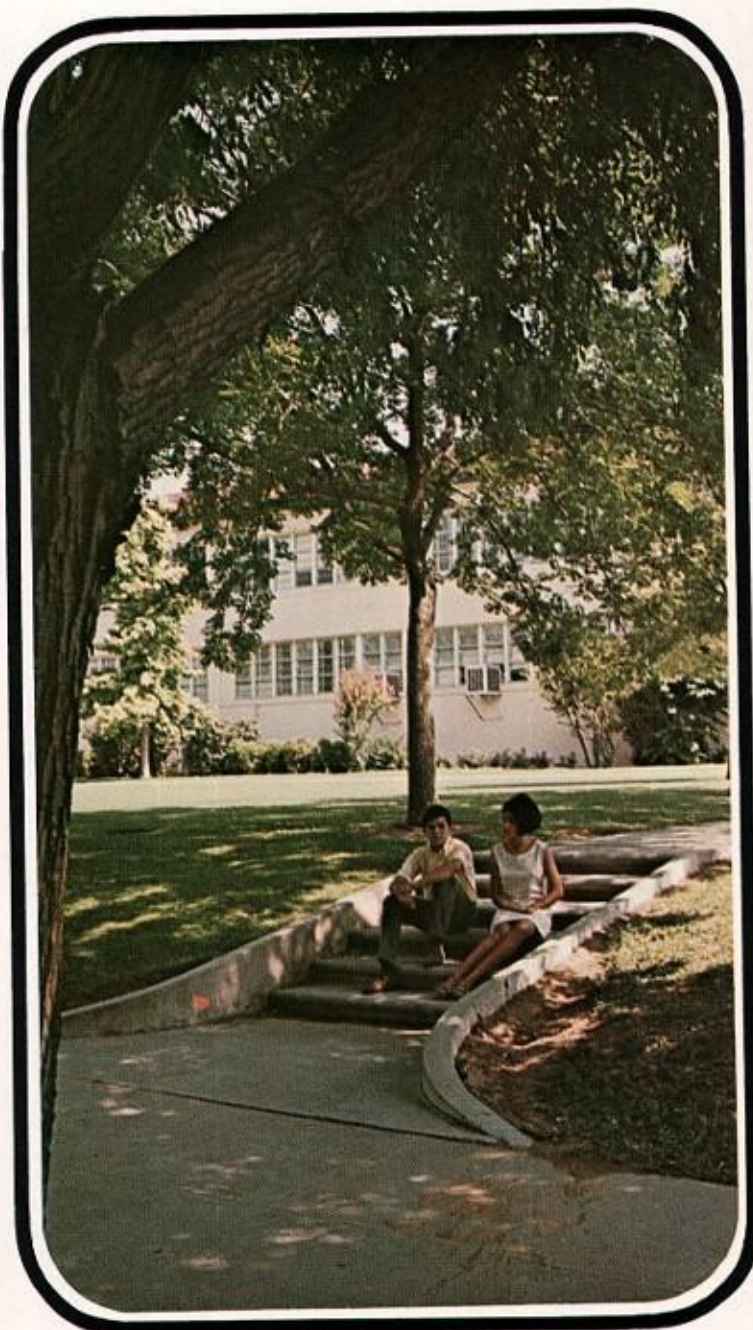

"They are all gone into the world of light,  
And I alone sit lingering here"—Vaughan

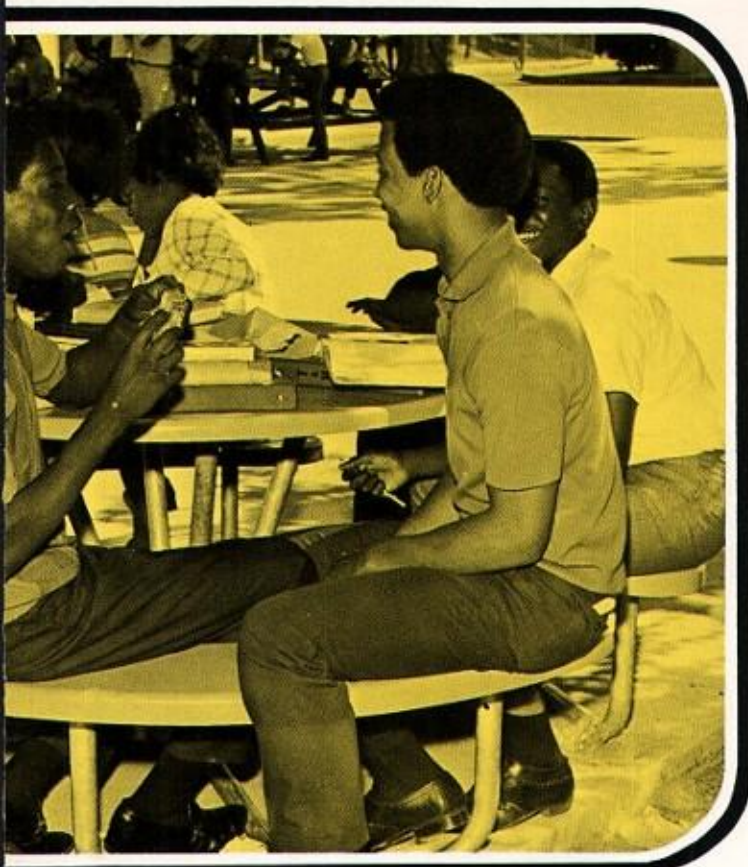

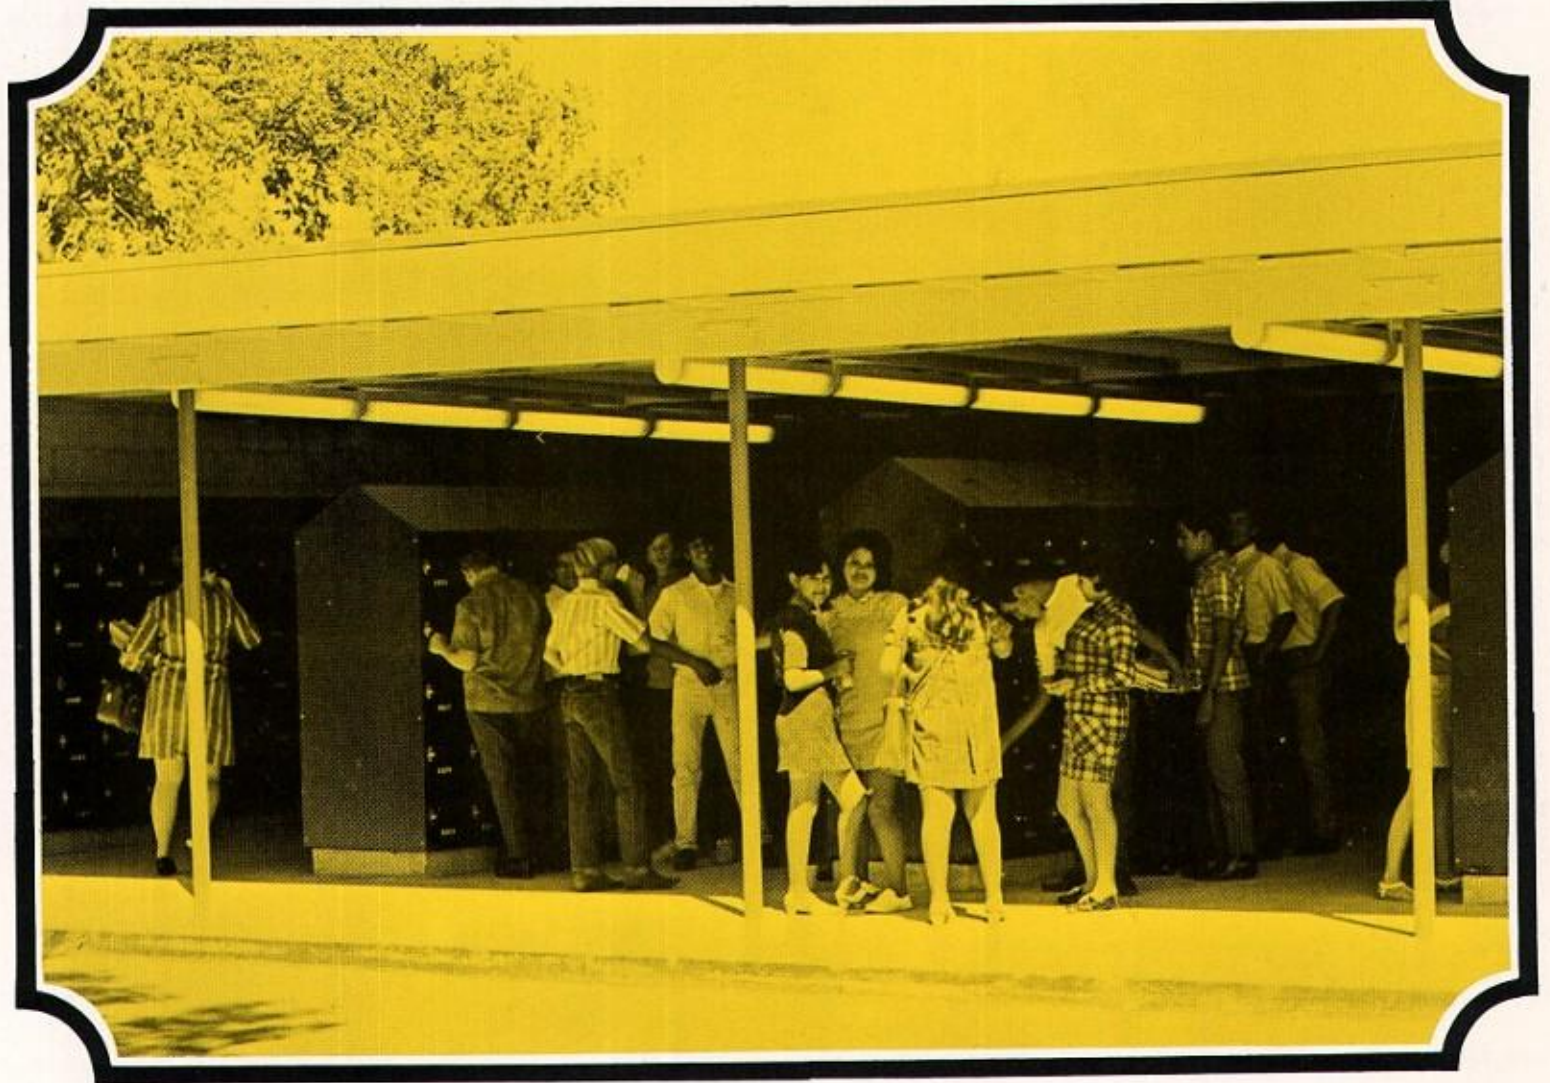

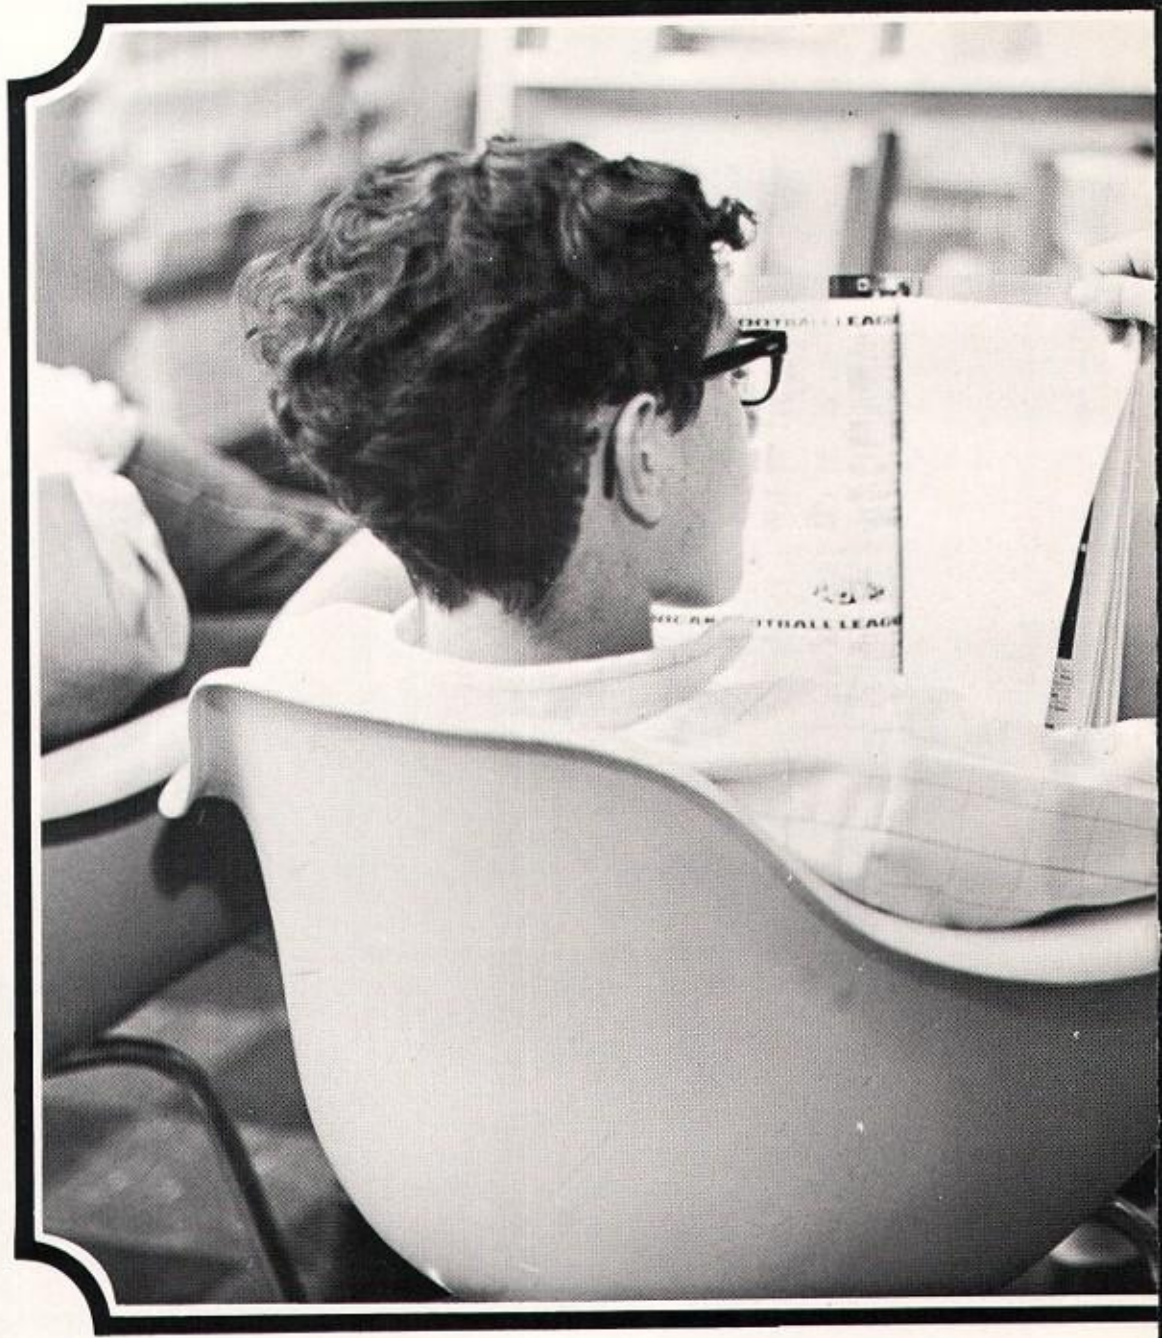

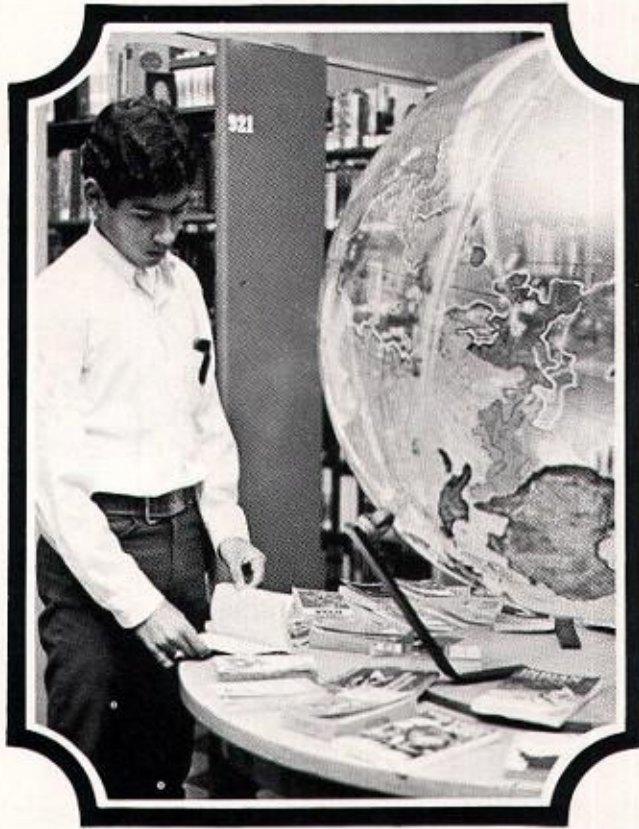

"Friendship, peculiar boon of Heaven,  
The noble minds delight and pride;  
To men and angels only given,  
To all the lower world denied."

—Samuel Johnson

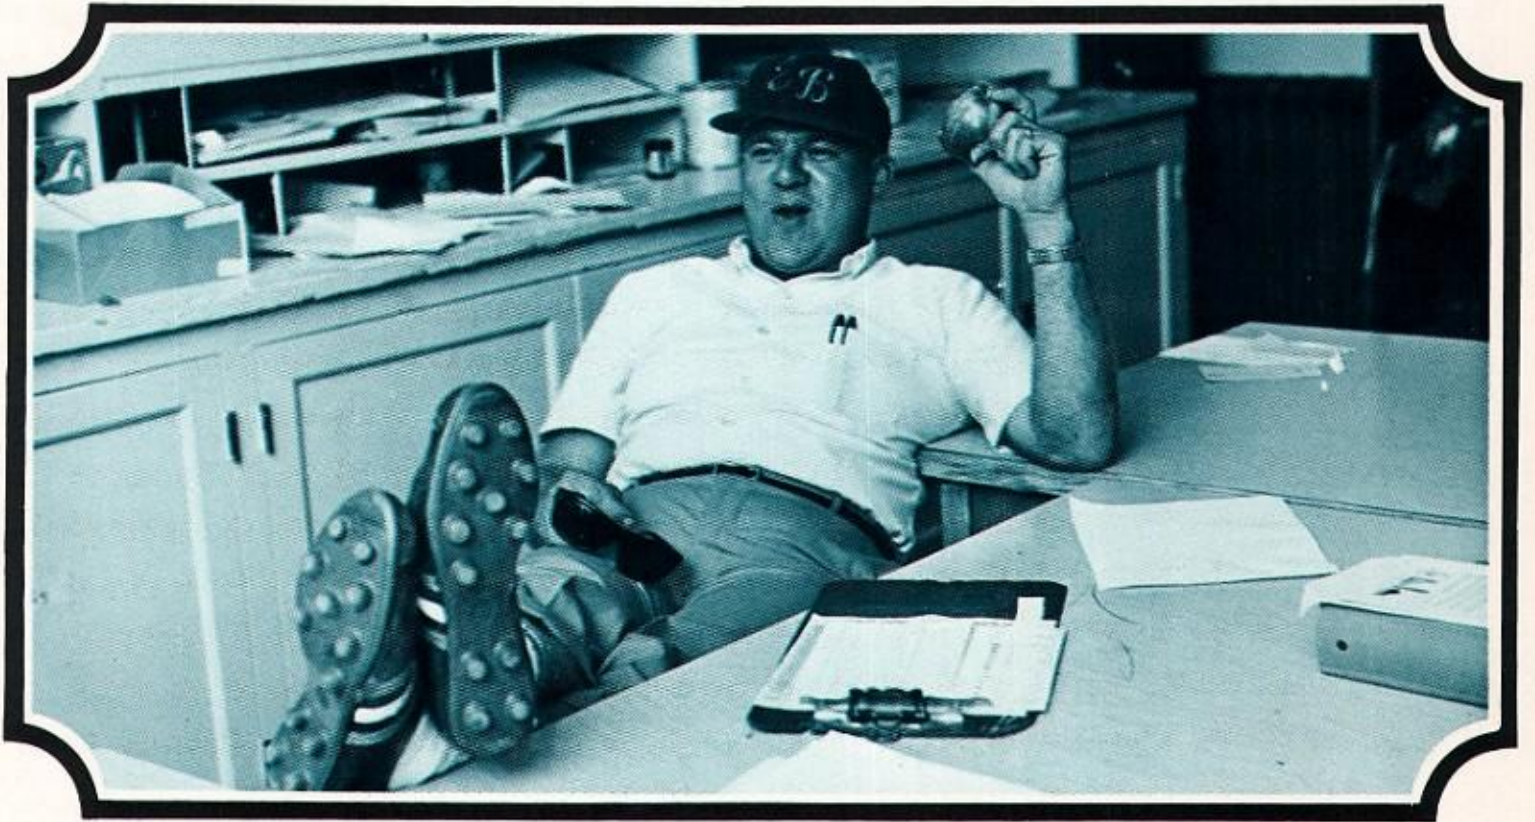

"The great hope of society,  
is individual character."

Channing

## To Chris, Our Friend . . .

There is one in the world who feels for him who is sad a keener pang than he feels for himself; there is one to whom reflected joy is better than that which comes direct; there is one who rejoices in another's honor, more than in any which is one's own; there is one on whom another's transcendent excellence sheds no beam but that of delight; there is one who hides another's infirmities more faithfully than one's own; there is one who loses all sense of self in the sentiment of kindness, tenderness, and devotion to another; that one is woman—Washington Irving.

GARY ANTE. Student Body President 1967

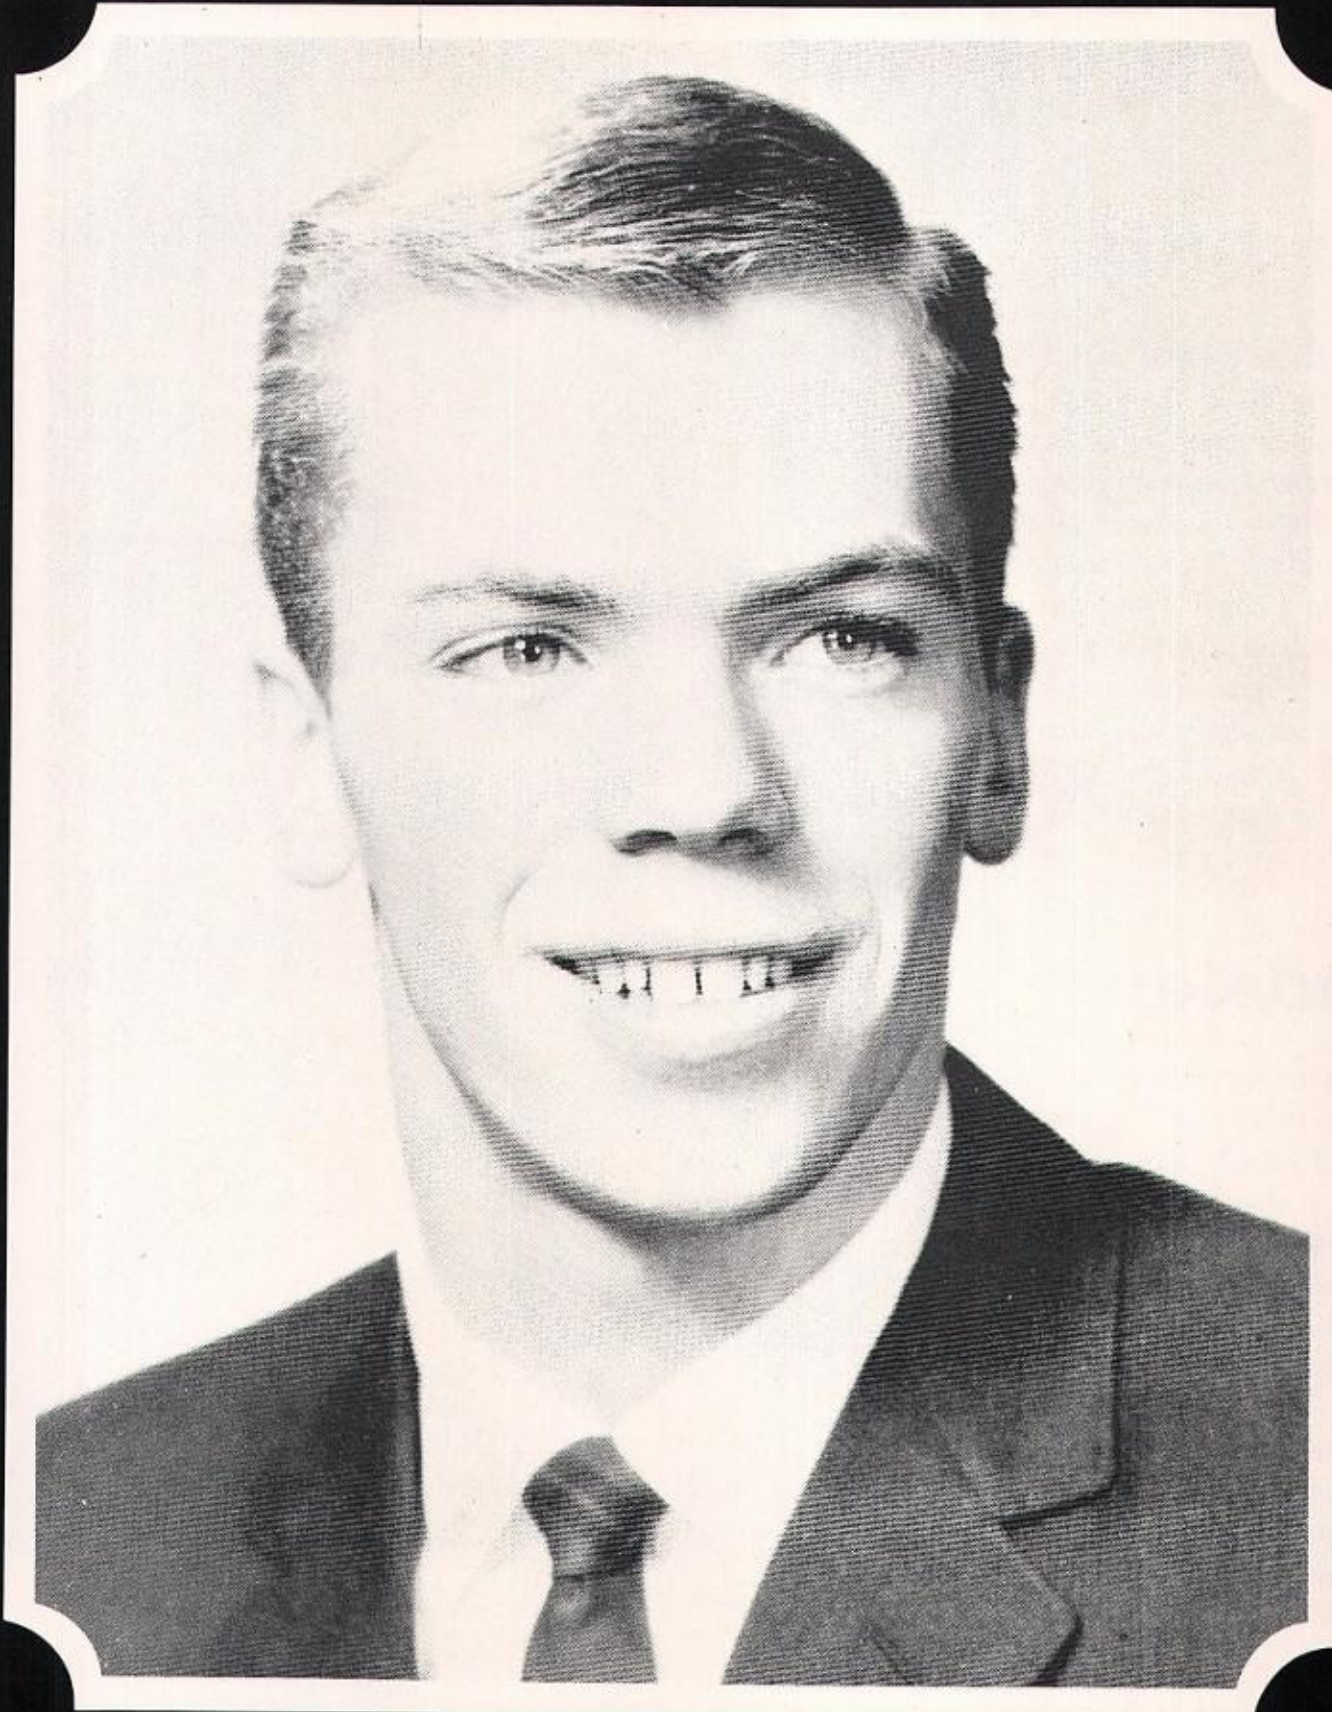

Lord, make me an instrument of  
Thy Peace.  
Where there is hatred,  
let me sow Love;  
Where there is injury, Pardon;  
Where there is doubt, Faith;  
Where there is despair, Hope;  
Where there is darkness, Light;  
Where there is sadness, Joy!

O Divine Master,  
grant that I may not so much  
seek to be consoled,  
as to Console;  
To be understood, as to Understand;  
To be loved, as to Love.  
For it is in Giving,  
that we Receive;  
It is in Pardoning;  
that we are Pardoned;  
And it is in dying, that we are Born  
To Eternal Life!

Saint Francis of Assisi

# Betty and Bobby Blade Honors Bestowed on Leslynn and Sterling

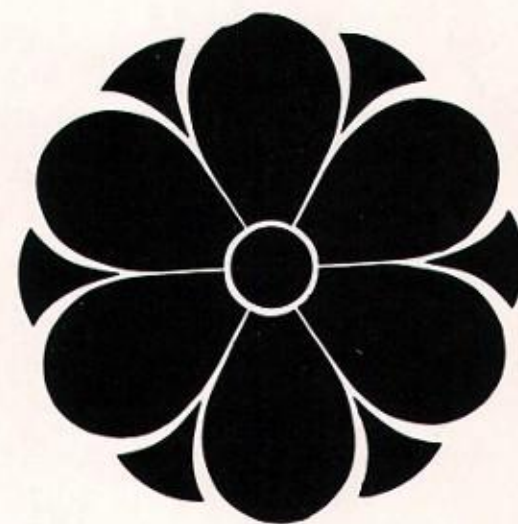

## Leslynn Lockhart

This year the students of East High chose Leslynn Lockhart for the high honor of Betty Blade. Leslynn's long record of service to the school provided proof of her outstanding qualifications. Since her freshman year, she has been an active member of Rally Club and the class councils. This year she was the Head Varsity Song Leader, a member of the Executive Council, and the Sounding Board. Throughout high school, Leslynn participated in the activities of Girl's League and served her senior year as Welfare Chairman. She was also treasurer of the Potenti's Tri-Hy-Y. One of the most wonderful personalities on campus, Leslynn was known to everyone and truly symbolized the ideal girl.

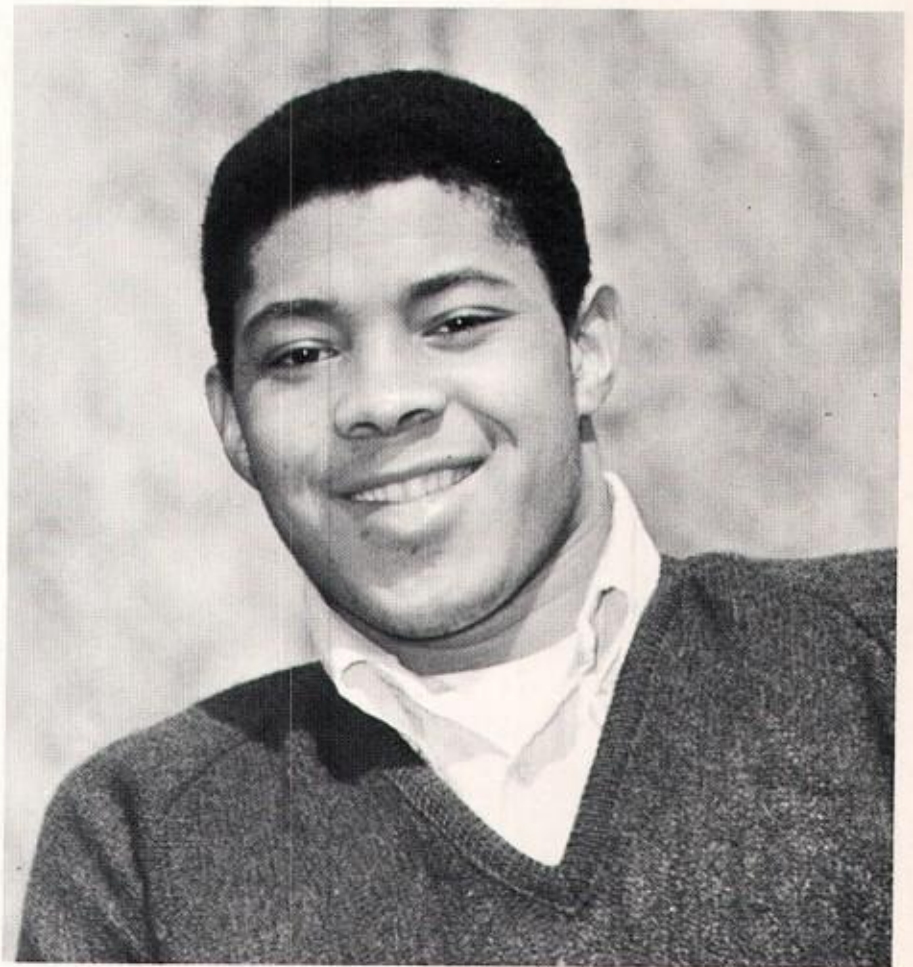

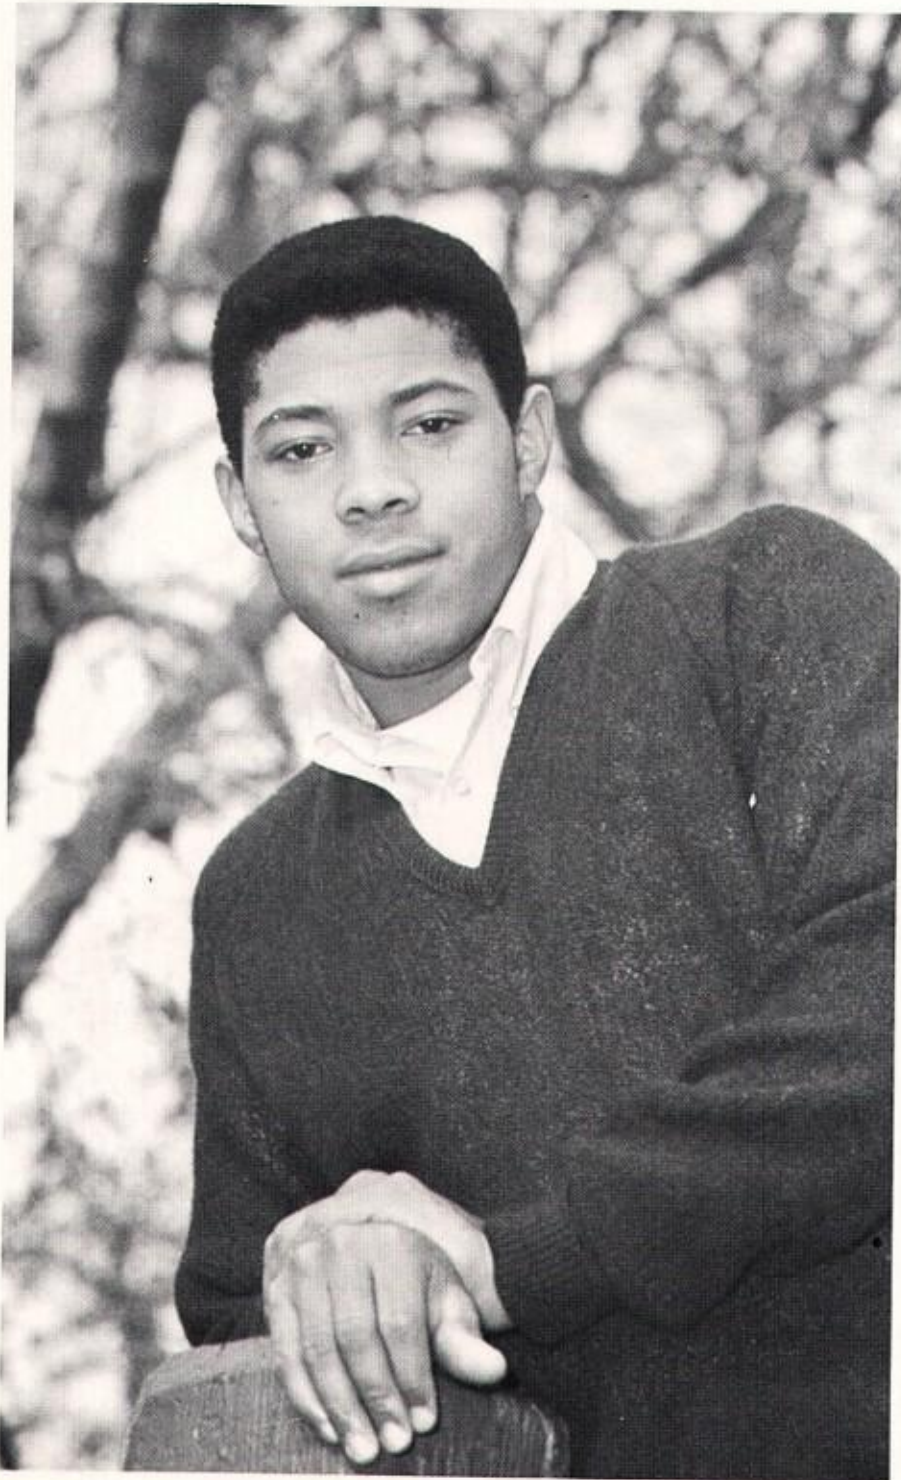

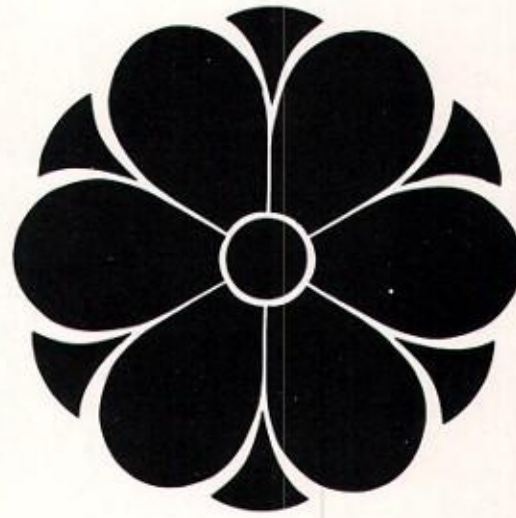

## Sterling Endsley

Sterling Endsley, a truly outstanding senior, was chosen to be Bobby Blade this year. An all-round sportsman, Sterling lettered in Varsity football, basketball, and baseball. He was the leading rusher this year, a fact that was significant in our victorious football season and he won the Most Outstanding Player Award for Varsity football this year. Sterling also played All-City football and won the Most Valuable Player Award for B class.

Although devoted to sports, Sterling found time to be active in the Senior Class Council, IRC, and Young Life. Planning to attend Oregon State next year, he said he would miss all his friends and the good times he had at East High.

Student body government became an integral part of the typical student's life this year. The Executive Council, which guided student body activities, depended on the Legislative Council as a means of bridging the communication gap between it and the students. However, the Legislative Council was mainly concerned with amendment revisions. Therefore, the Sounding Board, composed of representatives from various groups, was created to study different aspects of campus life and problems.

# Larry and Marsha Were King and Queen of Hearts

Marsha Palitz, QUEEN of HEARTS

Larry Morgan, KING of HEARTS

Larry Morgan and Marsha Palitz were crowned King and Queen of Hearts at the annual St. Valentine's dance. Larry was E.B.'s most outstanding wrestler, winning numerous awards such as Valley Champ and Jr. National Team. He was also a member of Key Club, Varsity Club, Orchestra, and Band.

Marsha was Student Body Rally Chairman and Vice President of Girl's League. She was also a member of I.R.C., Orchestra, I.C.C., and the Senior Class Council.

Marsha and Larry are relieved and happy after waiting for the announcement of King and Queen of Hearts.

## Crowning of Royalty Climaxed "The Snowball"

In a frosty setting of blue and white, Girl's League presented the winter formal, "The Snowball." Headed by Chairman Jan Waterman, dozens of girls worked very hard to create a lovely evening that everyone enjoyed. The climax came with the crowning of the winter royalty. Jan Waterman was crowned Queen, with Cindy Tyson as Senior Princess, Ginny Cochran as Junior Princess, Diane Bahr as Sophomore Princess, and Bev Cornett as Freshman Princess.

Princesses: Bev Cornett, Freshman; Diane Bahr, Sophomore; Queen Jan Waterman; Ginny Cochran, Junior; Cindy Tyson, Senior.

Mark Johnson, Debbie Kelley and Elias Munoz in "The Crucible."

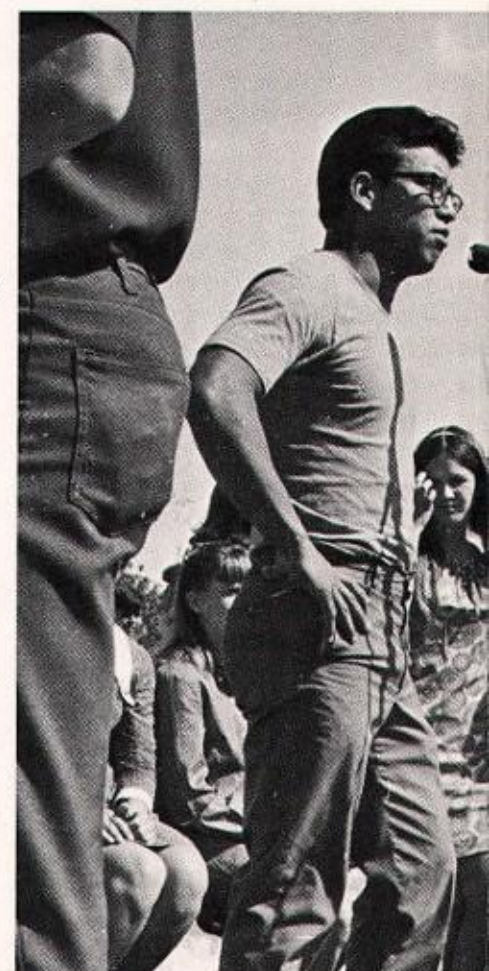

## Audiences Stirred by "The Crucible"

A "dramatic triumph," the student body play had no weak characters but many strong ones. Arthur Miller would have been pleased with this sensitive and moving interpretation. Probably one of the finest student body plays ever presented to East High audiences, *The Crucible* will be long remembered, especially by Mr. David Grote and the cast.

The cast included the following, Mark Metzger, Tim Herring, Robin Lebouef, Jamie McNichols, Paula Lindsay, Mark Johnson, Elias Munoz, Dave Larwood, Joe Hammer, Chris Basman, Kris Sweder, Ramona Nichols, Elsie Isenhower, Susan Wade, Dan Dalen, Pat Diangelo, Marilee Van Woert and Debbie Kelley.

obvious during our enthusiastically led rallies.

Imagine being able, as you pause in the hustle and bustle of your day, to refresh your spirits with the fun, but rewarding activities offered here at E.B. This is exactly the way the students found it to be.

Enthusiastic activities like Rallies and Assemblies; entertaining activities such as Plays; fun and enjoyable activities like Dances. These extra activities showed another side to East High. They seemed to break the tension of school work. They were highlighted by each individual and his own character.

# The Senior Year Is Over—

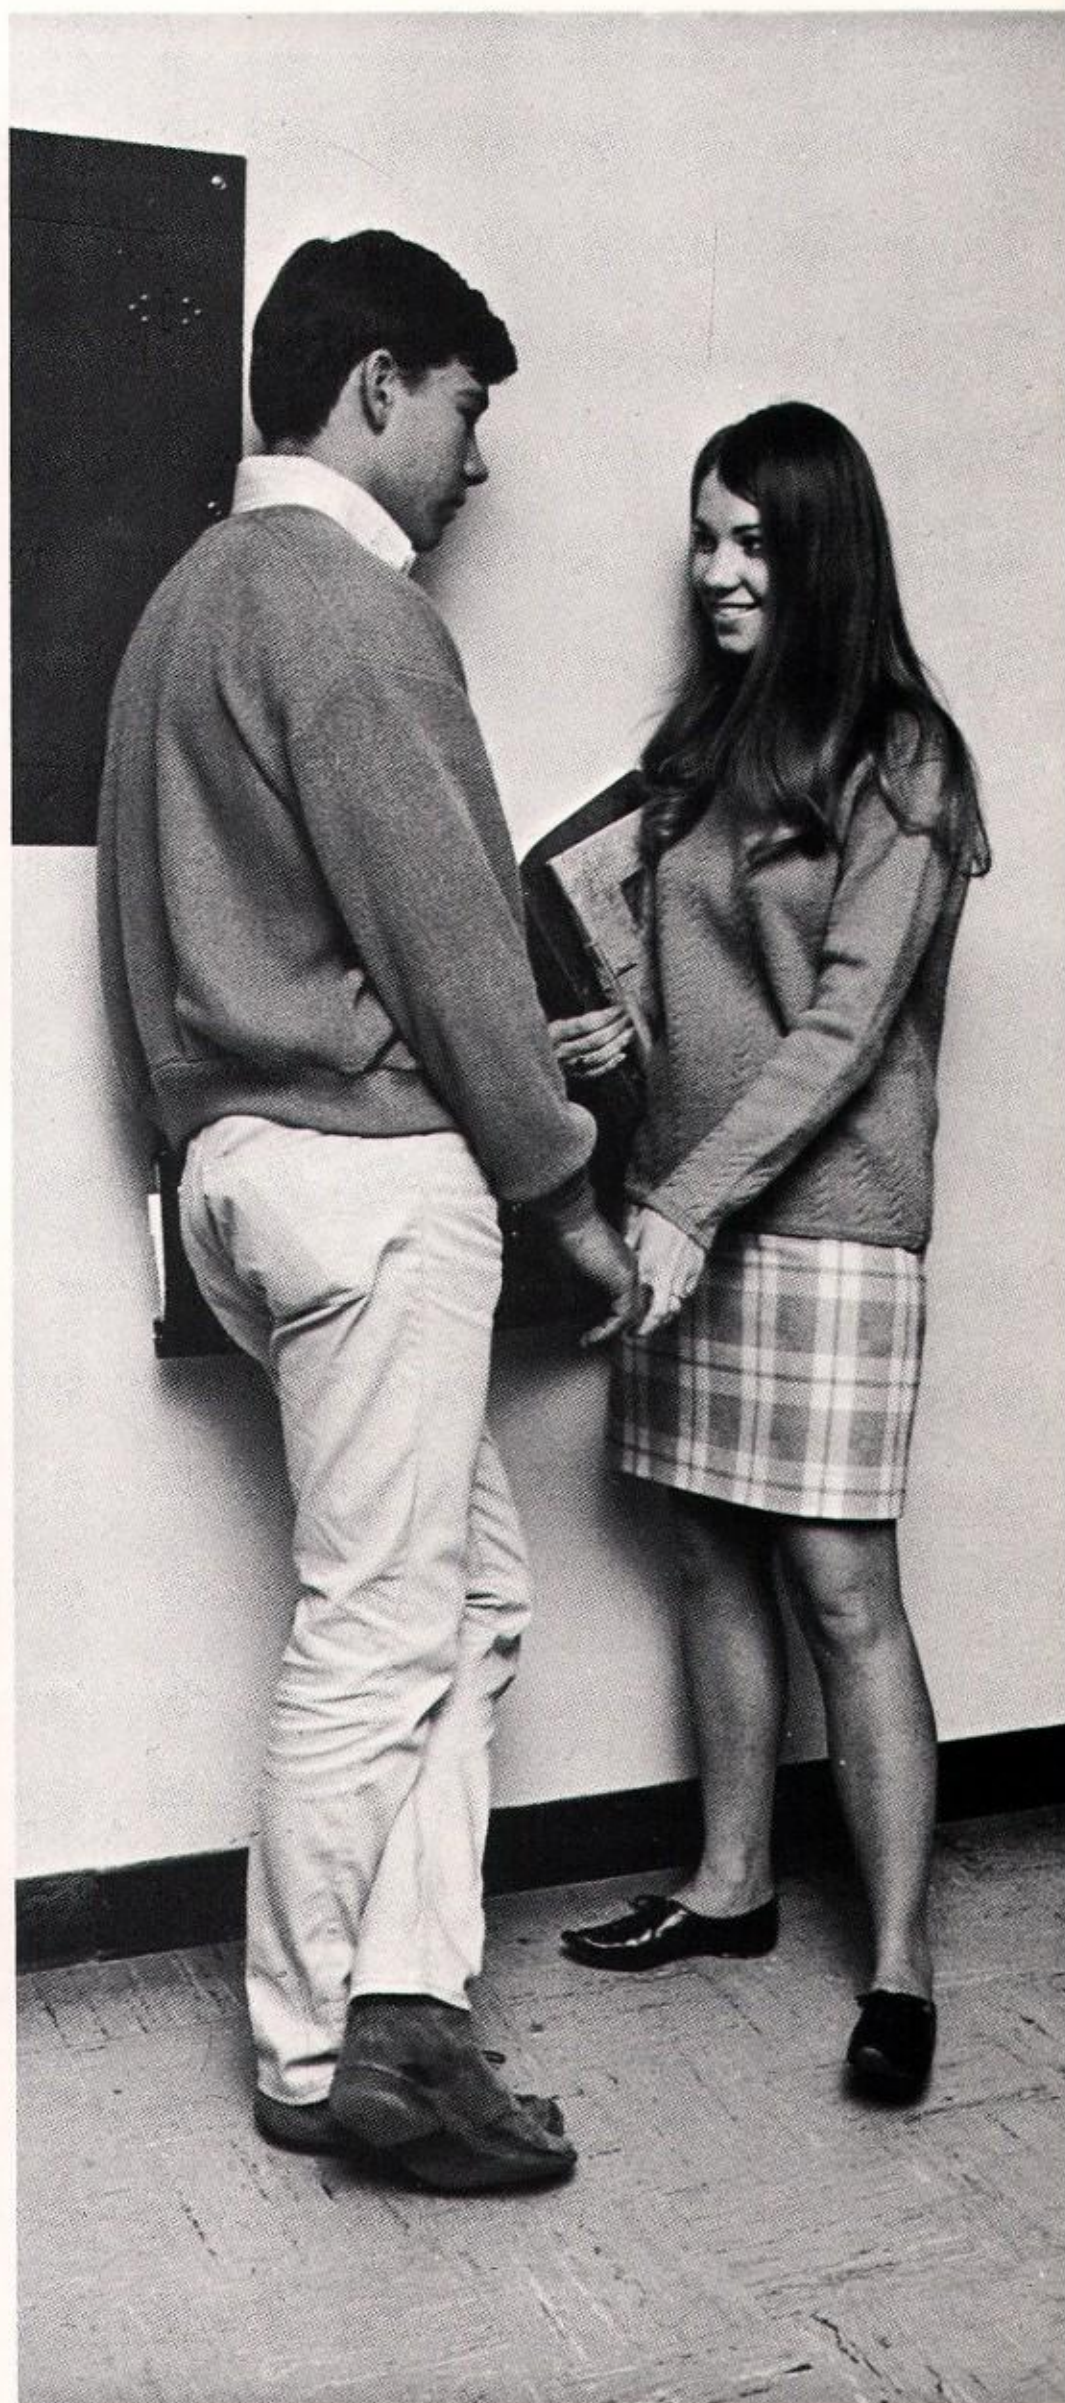

The senior year is over—last of four years of preparation, to better ourselves and the world. This year was accented with much spirit.

Times are changing,  
New ideas are formulating,  
We are the new generation of thinkers.  
We may leave the crowded halls of E.B.  
With elation or sorrow—  
But whatever we leave with,  
Let it include determination,  
To obtain our goals,  
And to make our ideals work,  
Toward the kind of world we all want . . .

Debbie Keeling

Humanities English was always made a little livelier by Mrs. Berra's teaching.

A quite moment shared by two seniors, Randy Hamm and Debbie Keeling.

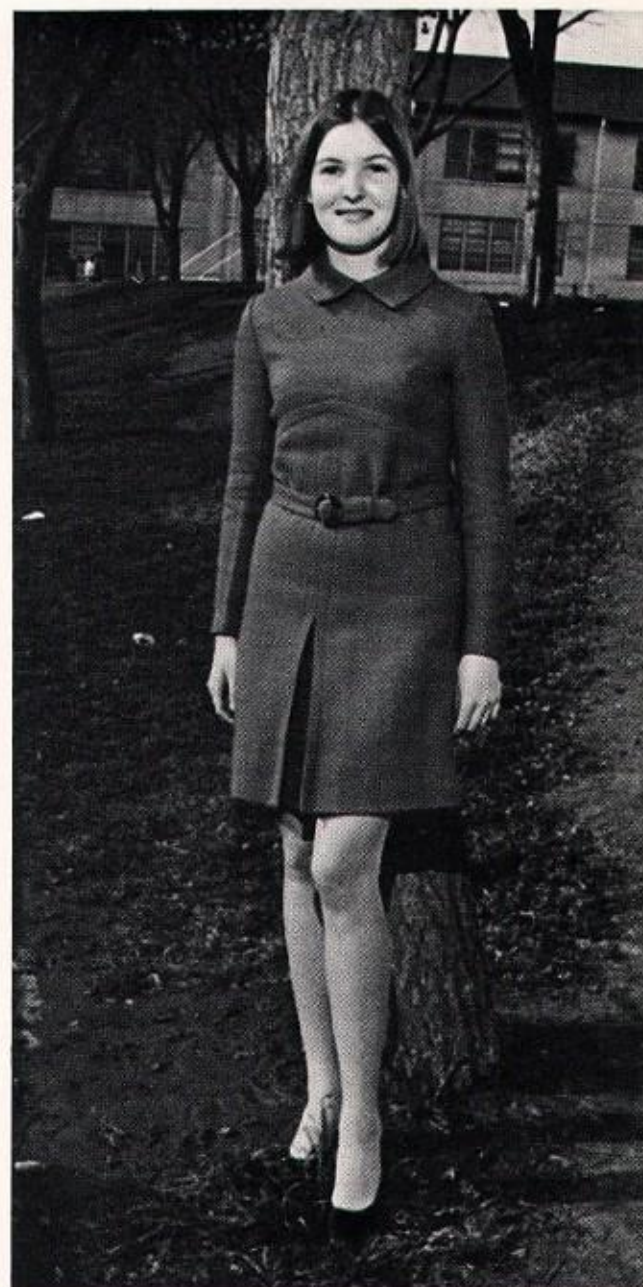

OFFICERS—CLOCKWISE—Cathy Whitaker (rally), Pat Engstrom (publicity), Tony Contreras (president), Joyce Johnston (secretary), Becky Nicholas (treasurer).

MARIA ESSLINGER

This year many students had the opportunity to become acquainted with Maria Esslinger, East High's American Field Service exchange student from Graz, Austria. During her stay here she gained a broad understanding of American life and enjoyed the variety of differences between her country and ours. Maria participated in Executive Council, Girls League, Service Club, and C.S.F. She enjoyed all of our sports events and she will "never forget the Donkey Basketball Game."

Bladesmen worked their way to a final victory against BHS.

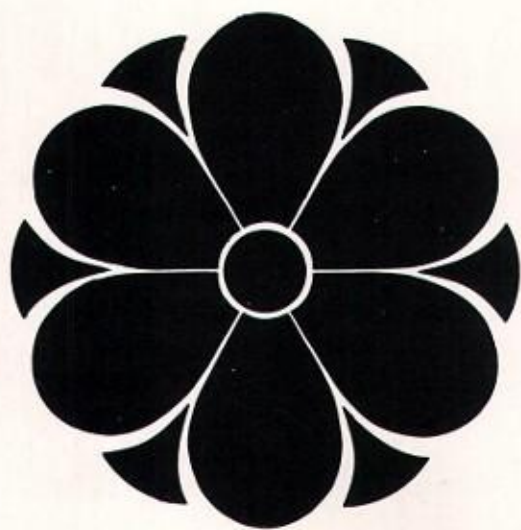

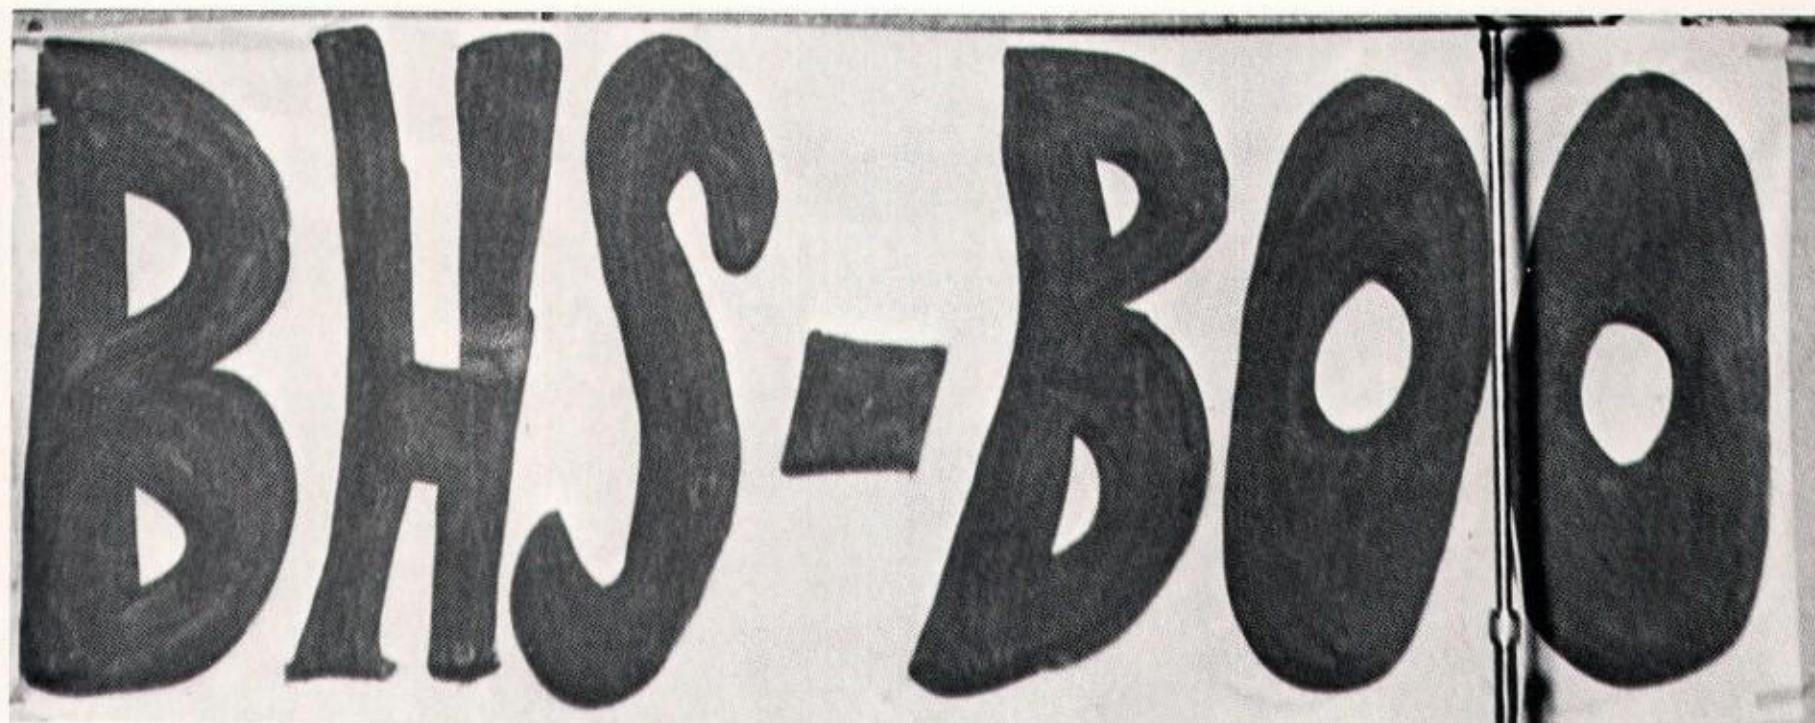

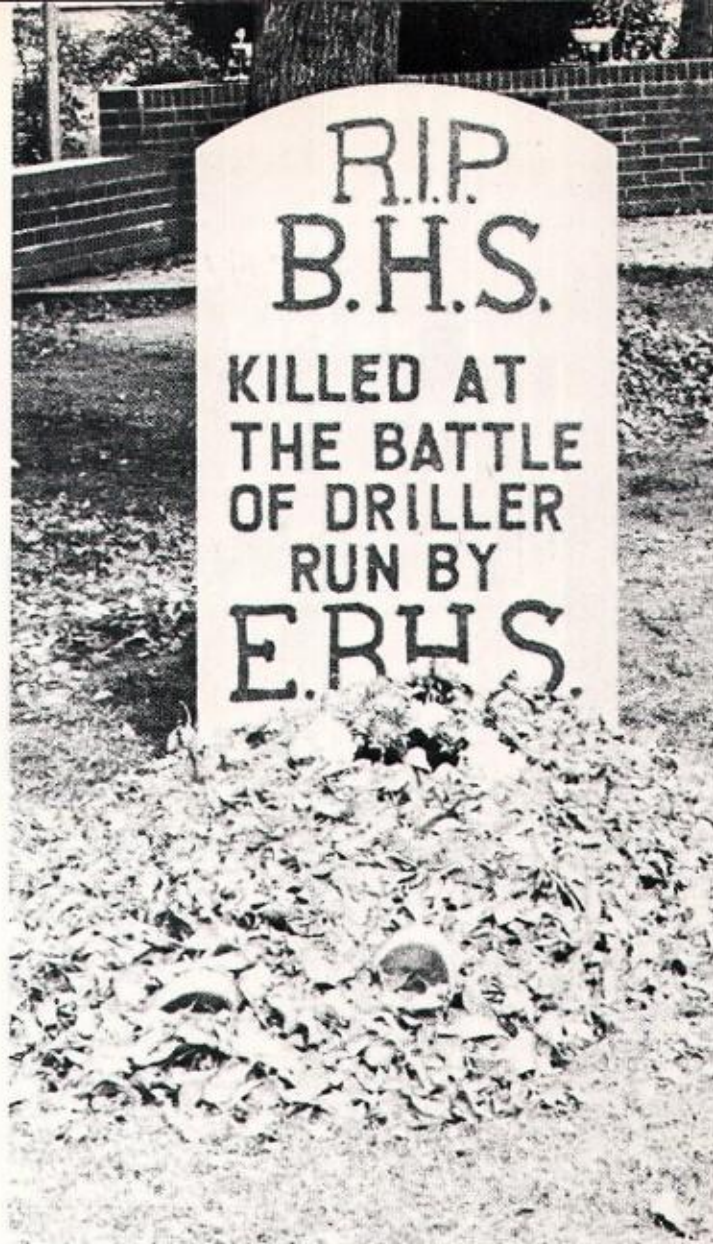

## Blade Victory

ashed to ring the victory bell after winning the BHS game.

Although B.H.S. Week began with a deluge of rain, EBite spirits were by no means dampened. The morning and night rallies attracted many E.B. students, and enthusiasm for the upcoming battle against B.H.S. grew. East High mourned for B.H.S. not only at the noon funeral, but they also had a chance to place flowers on the grave site of the deceased Drillers in Senior Park.

Friday night brought a stampede of E.B. students well equipped with spirit, and umbrellas, to watch the destruction of the Drillers at the B.C. stadium. The Bladesmen proved to be victorious throughout every minute of the game.

The final score of this rival game was 21-7, with the Blades the triumphant winners, a win which took 6 years to achieve.

and Mary Donovan

Our Varsity Song and Yell Leaders did a terrific job this year. These girls were at all the games, stirring up every ounce of spirit in the EB fans. Such spirit really helps the teams win and the cheerleaders are responsible for it.

The four Yell Leaders were Cindy Gonzales as head, Carolyn Davis, Margaret Canessa and Stacy Ahlgren. Leslynn Lockhart, Mary Donovan, Suzy Rogers, Debbi Edmonson, and Bev Carnett were the Song Leaders with Leslynn as head. All the girls practiced many hours to perfect their routines for our enjoyment.

# J. V. Song and Yell sparked spirit

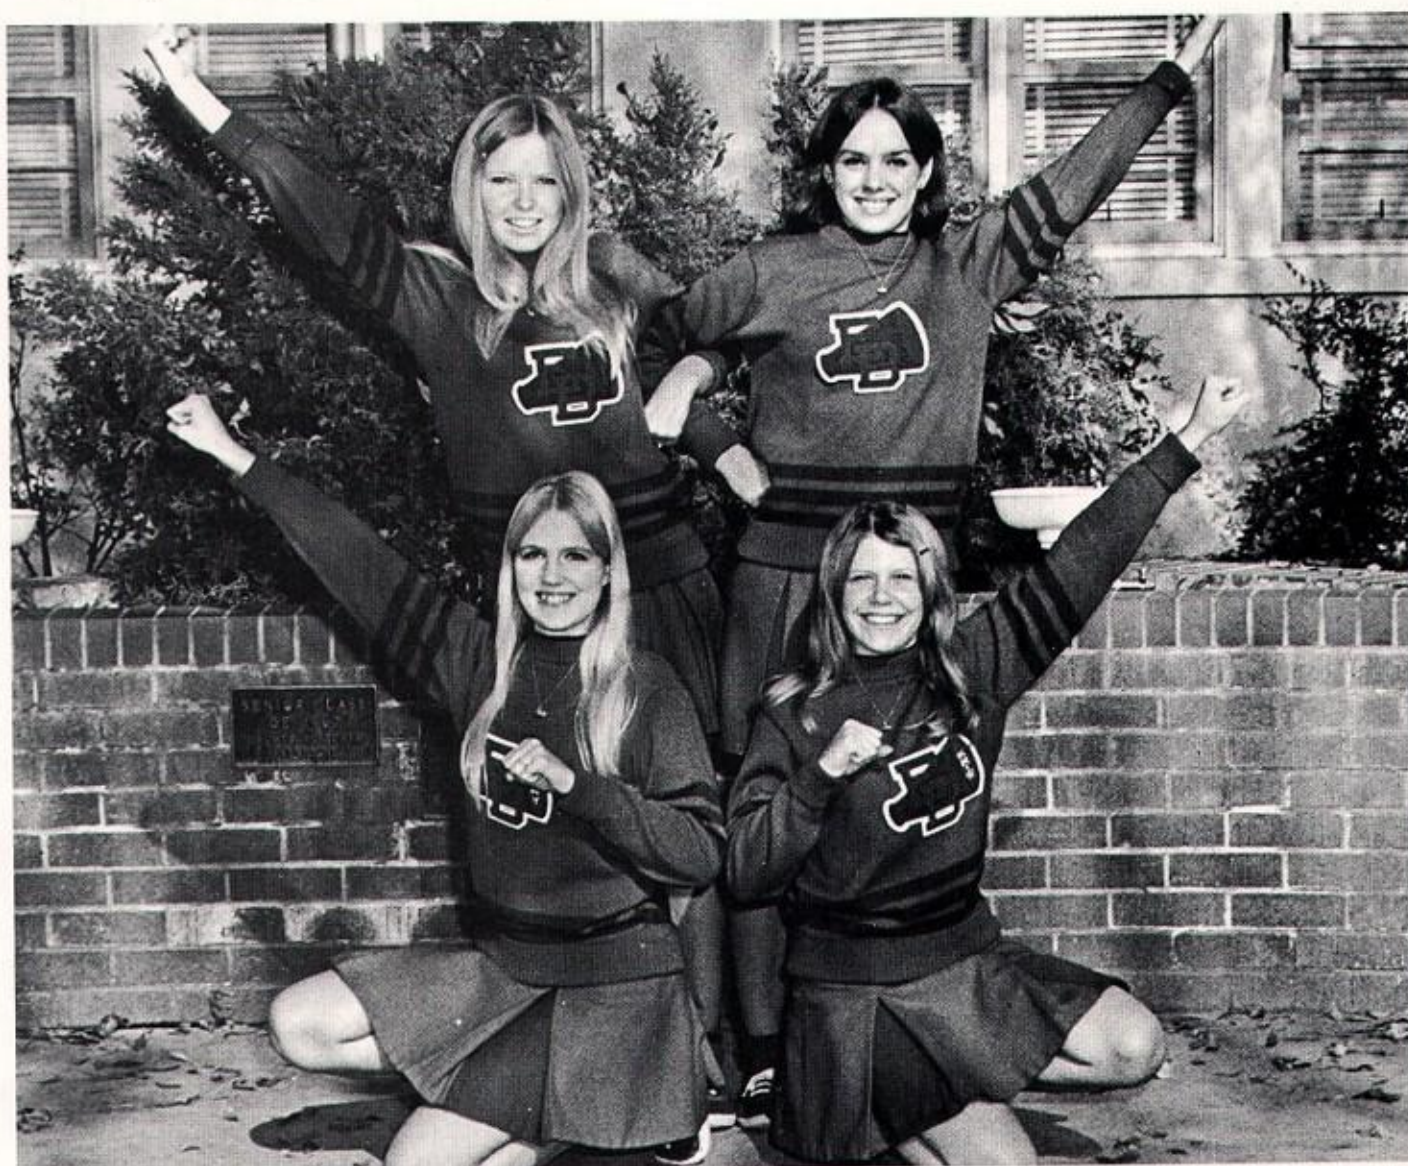

J.V. Yell Leaders; Cathie Whitson, Dale Ward, Kris Kapeller, Penny Boeman; J.V. Song Leaders; Denise Watkins, Kris Vinson, Kerry Wangsness, Colleen Fincher, Kathy Ulmer.

The Junior Varsity Cheerleaders put forth a tremendous amount of energy and hard work this year, and their efforts were well rewarded. The spirit at the Dagger games rose to great heights, which helped to make the teams go. Composed of 4 Yell Leaders and 5 Song Leaders, the J.V. Cheerleaders made sure there was plenty of spirit.

## "Blade Football"

The word that best fit the 1968 Blade Football team was unity. It was not only the pride in self that made this a fine winning season but the PRIDE that each individual showed in his fellow teammates. Although there were tremendous individual achievements the team was one for all and all for one each and every game.

The coaches are appreciative of the caliber and integrity of the players and the team.

A tough and outstanding line coached by Bob Martin.

### "DAGGER FOOTBALL"

The East High Dagger football squad started the season out in high fashion winning four games in a row and outscoring their opponents 94-6. Among the victims were Delano, Porterville, Redwood, and Tulare. Tulare was riding a 23 game winning streak before they met the Dagger machine and were stomped 38-6.

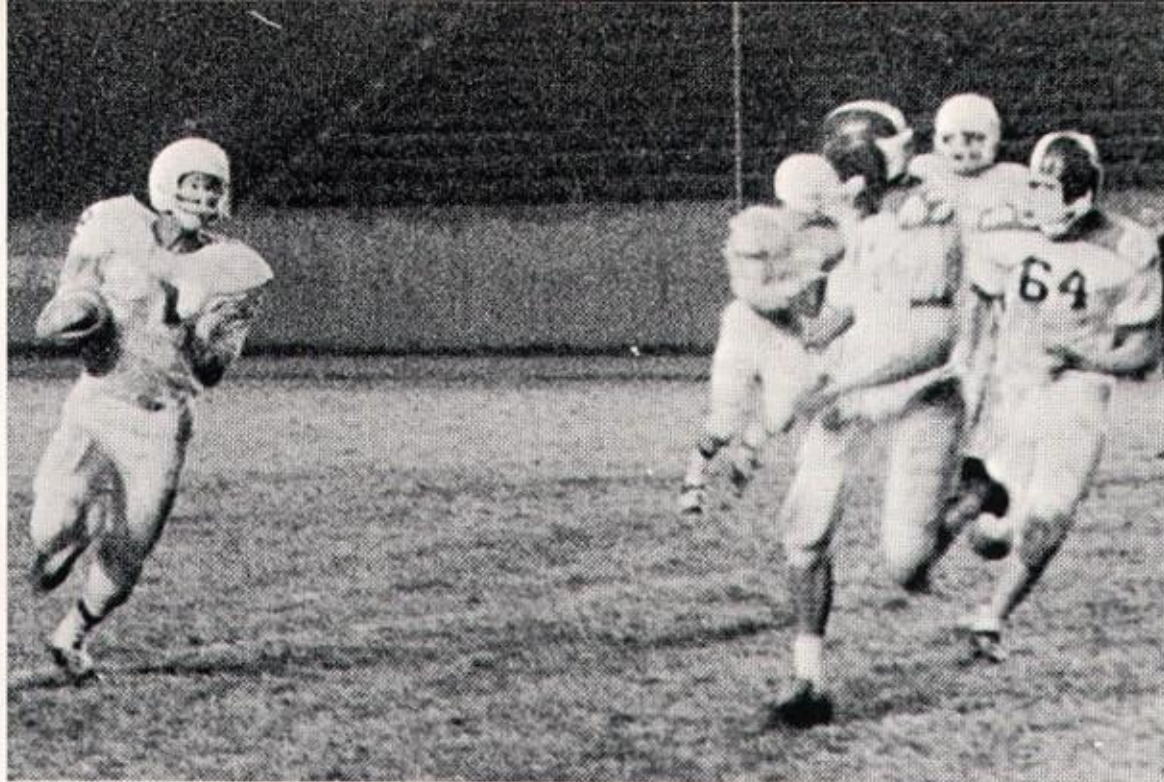

In league play, the Daggers had a hard luck story as they lost three games by a total of ten points. They finished up the season with a victory over a strong North-High J.V. team and ended the season with a 5-4 log.

The Dagger squad was characterized by enthusiasm, desire, and hard-hitting. They represented the school in the fashion that symbolizes the Dagger tradition. They never gave up during a game, and were able to come back from defeat. Their true worth will be shown in the coming years as Bladesmen.

Though the runner is unknown, what he is running for is well known.

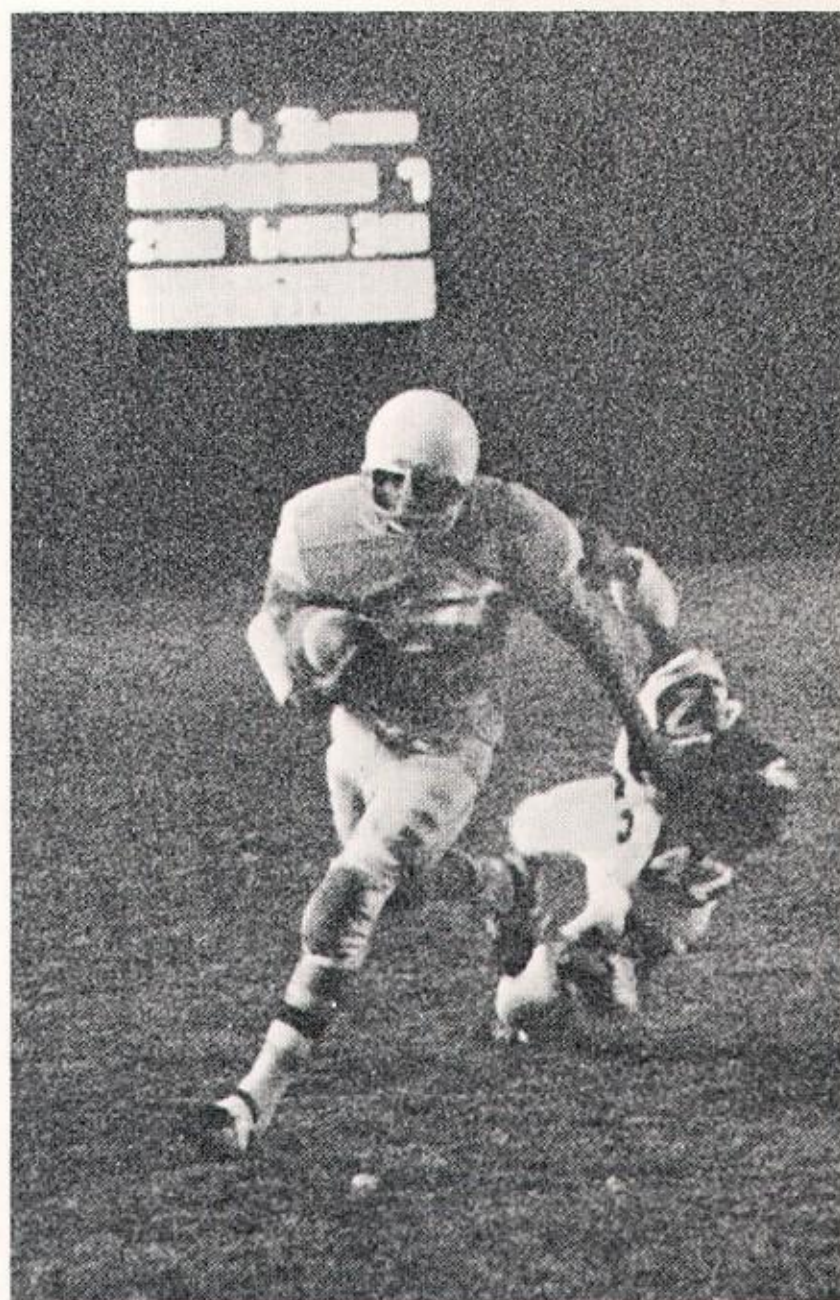

Jerry Buckner shows the determination that helps make a great team.

#### "DIRK FOOTBALL"

The Dirks had a fantastic season this year. With Coach Tedder and Coach Houser always encouraging them, the boys worked very hard and their efforts were rewarded. They placed 2nd in league, missing first by only one-half of a game. The offense exploded through the lines, piling up 209 points, not to mention the defensive squad which literally stood like a brick wall. These boys showed teamwork at its greatest.

## Cross Country

Led by Junior class dynamo Ed Granillo, the East High Harriers had an outstanding season. Coach Fero remarked of this year's team, "I've never worked with a group of young men who worked so hard to make their school, families and community so proud."

The Frosh were led to a champion season by Martin Rodriguez and Bob Hernandez. Other outstanding Frosh were John Arrendo, John Gonzales, Gilbert Rodriguez, Ted Zammarron, Alex Lague, Bud Penio, Mike Neufield, Chris Gonzales, and Ed Cordova.

The Novice race at Porterville was another highlight of the season with Senior Ed Barger winning it as E.B. swamped their opponents. Outstanding Novice runners were also Frank Sepulveda Manuel Quiroz, Richard Fish, Jesus Gonzales, John Enriquez, George Salazar.

The League Champion Frosh Soph team led by team captains Mike Lara and Les Boyer finished a very good season. Undefeated in dual league competition and backed up by outstanding Frosh Richard Vallejo and Sophomores Jesus Ramirez, Ray Aguirre, Harold Legg, John Gonzales, Andy Soto, John Granillo, Don Larwood, they turned back the league opponents with an exciting victory. The fantastic J.V. team led by Senior Elroy Ruiz, really did the job. They showed how great E.B. really is in the valley. The J.V.'s finished an undefeated season with 14 shutout performances by getting their whole team in before another runner could score. In the league they had the first 14 place—truly a great team of Martin Sharp, Robert Soto, Salvaster Cadena, Albert Soldana, Larry Conrad, Mike Lenneman, and Robert Gonzales.

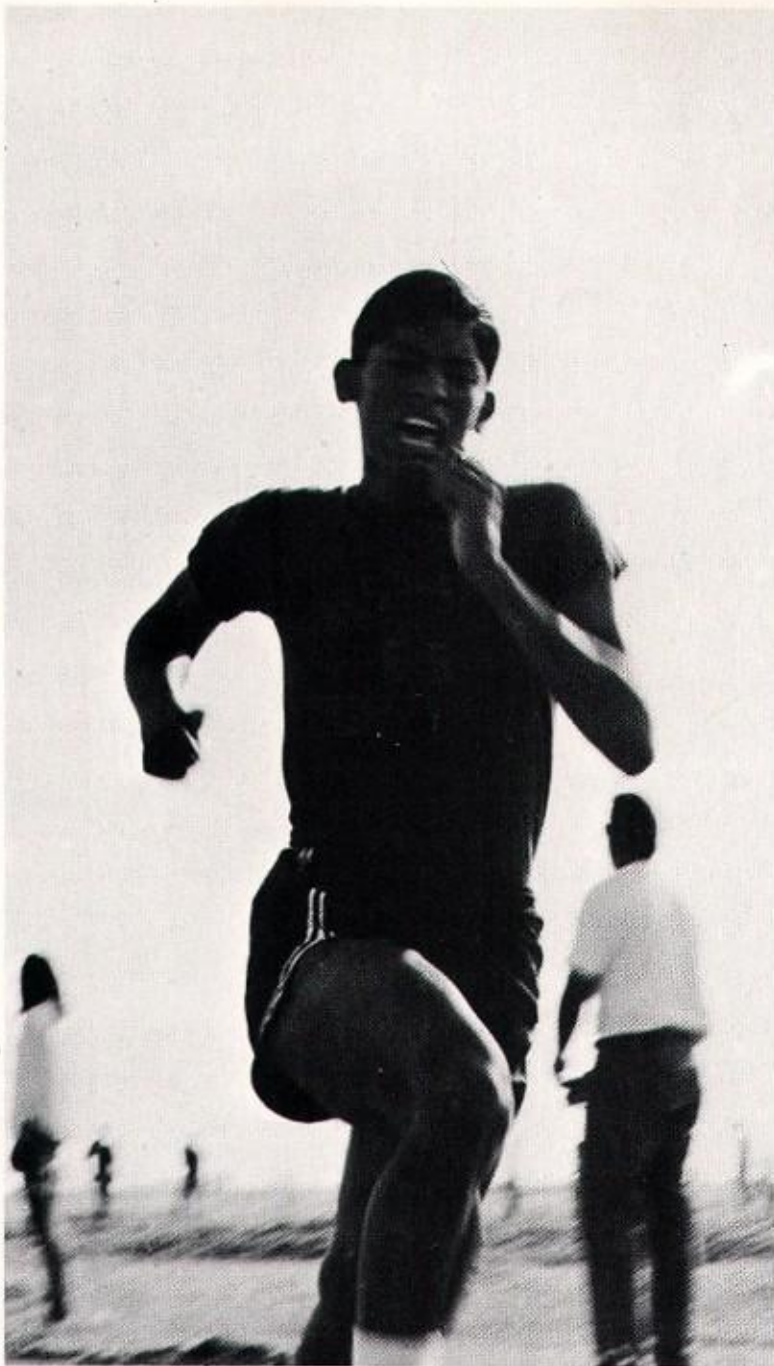

What does it take to be champs? With 4 of the top 7 not returning in '68 the team of, Individual Valley champ Eddie Granillo, great Tom Garcia, hard working Lupe Solis, dedicated Ed Delgado, pace running Don Miller, enthusiastic Dan Villalovos, and improved Chris Juarez, they went on to win the Divisionals X.C. title on the West High Campus.

The great accomplishments of E.B. are recorded in the annuals of the Valley. The Red and Blue showed great determination, honor, and brought pride to East."

Les Henderson (50) grabs rebound as Mark Boone (54) looks on.

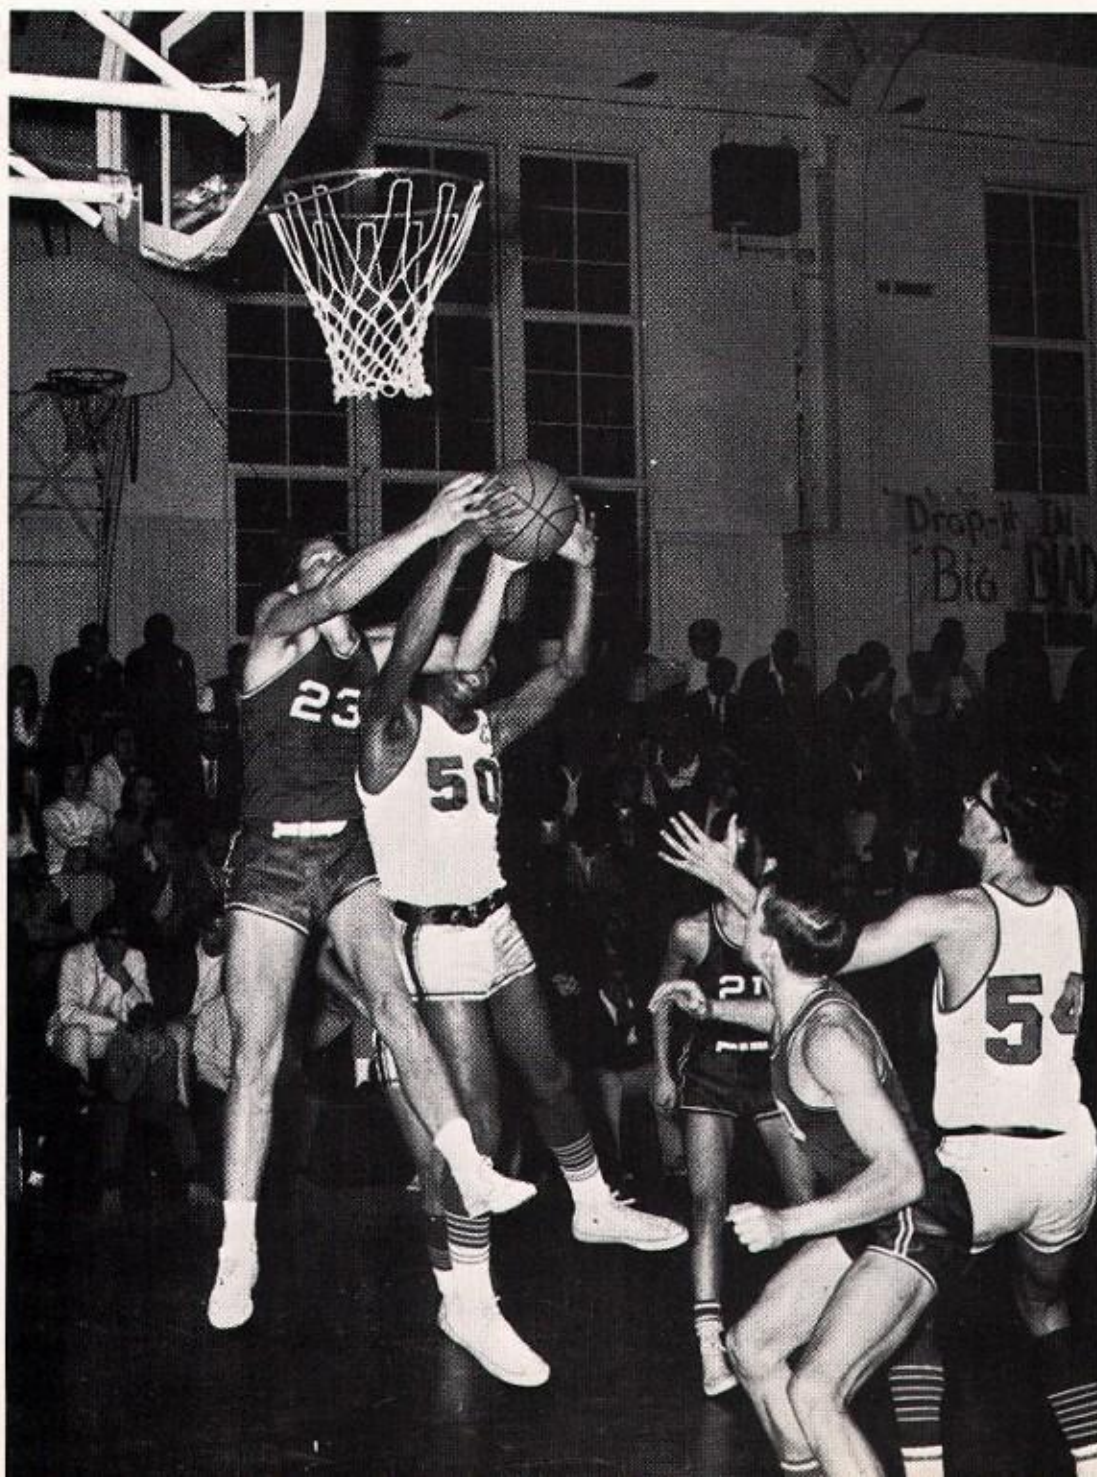

Faced with the unenviable task of living up to the record of the past two years when the Daggers won 40 and lost 1, this year's team found the going a little tough and the pressure a little too much. After dropping the first three games by a total of 14 points, the Daggers regrouped their forces and set a J.V. scoring record against Tulare, winning 87-47.

Only twice were the "junior Blades" out of the game in the last minutes. Ten games were either won or lost by margins of 5 points or less. South High felt the sting of the close games three times, losing to the Daggers by 1 point, 2 points, and by 5 points.

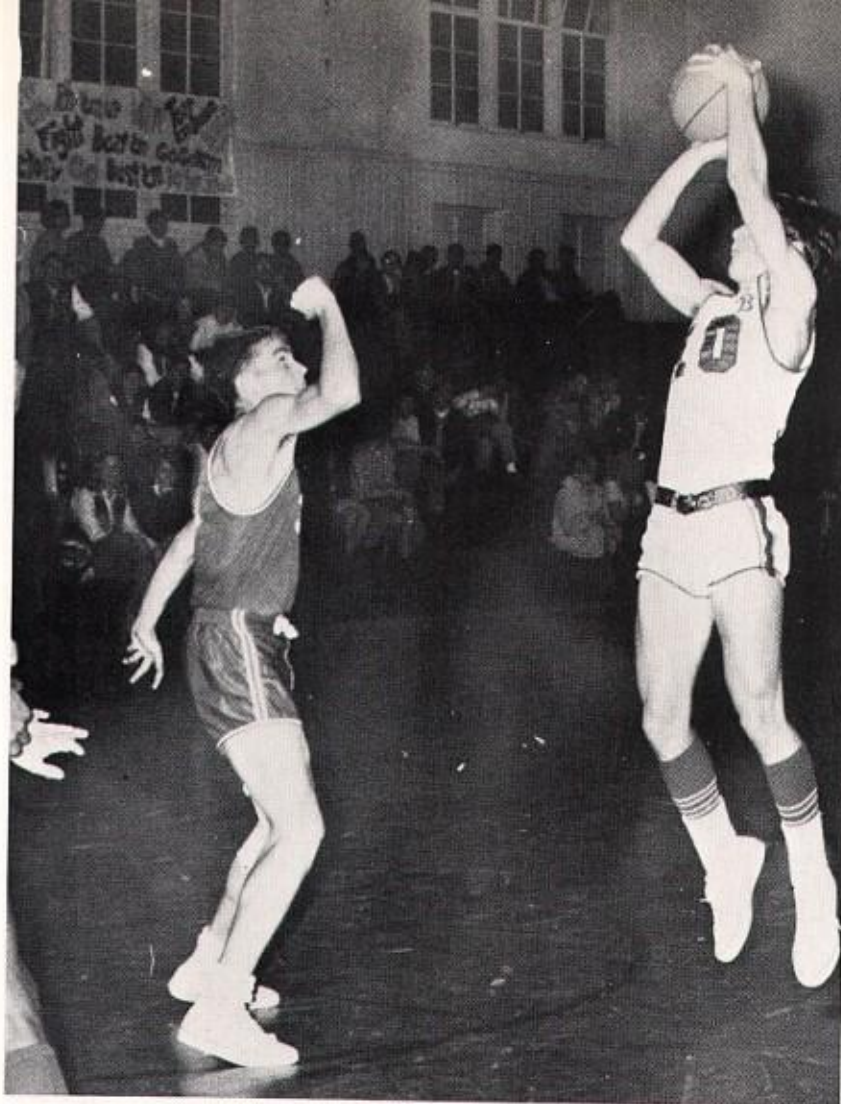

Defeated earlier by West High in the opponents gymnasium, the Daggers made a great comeback and defeated West 32-30 on our home court. West's margin of victory the first time was nineteen points, making their defeat one of the highpoints of the season.

Like any good team there was more than one person responsible for the team's success. Leading rebounders were Lessie Henderson, Martin Vielma, and Mark Boone. Leading scorers were Tim Kerschenmann, Sammy Stinson, Mark Hochhalter, and Don Smith. Smith and Vielma are Freshmen and started virtually every game. Both should have a bright future in front of them at East High. Henderson, Kerschenmann, Stinson, and Wayne Gavin are Sophomores and should be a big help to the Varsity the next two years.

The Daggers of 1968-69 did not have as outstanding a record as their predecessors, but they were a young team playing weekly against older teams. The objective of the Junior Varsity program is to build better players will move up to their schools' Varsity for one year, the younger Daggers will have two and three years to play as a mighty Bladesman. If they learned basketball and profited by their experiences, then the season was a success.

# Dagger Basketball

This year the "B" class Basketball team, coached by Norm Stanley, had a seasons record of 3-7. Although, this was not quite what coach Stanley had anticipated, the boys did play hard and there were no regrets. Because of lack of experience, coach Stanley thought this to be a fair season. Next year we will look forward to these boys playing J.V. and Varsity Basketball and putting to use the experience they acquired this season.

This year was a very busy and challenging one for the varsity wrestling team. Led by Coach Tedder, the boys worked hard and although their season record was 8-7, they never lost a match without a tremendous battle. The Blade grapplers also participated in several tournaments and placed well in all of them. They earned seconds at the Madera Invitational and Cal Poly, with thirds in the B.C. Tourney, the SYL Tourney and the Divisional meet. In the Valley Finals, the team placed fourth. Special recognition goes to Larry Morgan who was the Valley Finals Champion.

# J. V. Wrestling Team Brought Home SYL Championship

The Junior Varsity wrestling team, led by Coach Nuanez, really proved themselves this year. They swept through the season and stacked up a tremendous record, losing only to Hoover and South. This great record earned them first place in the S.Y.L. The team also placed first in the Kern County Novice Tourney. With the J.V. team being composed mainly of sophomore and juniors. Coach Tedder is assured of having a fantastic varsity team next year, thanks to Coach Nuanez and the hard work of these boys.

Long hours of practice, thousands of yards of sprints and determination enabled the girls swim team, "The Bladettes" to secure many meets and records. This year, under their new coach, Miss Krog, they have reorganized and built up the team from many new girls, and of course, the pros who have been on the team before.

## Sierran Staff

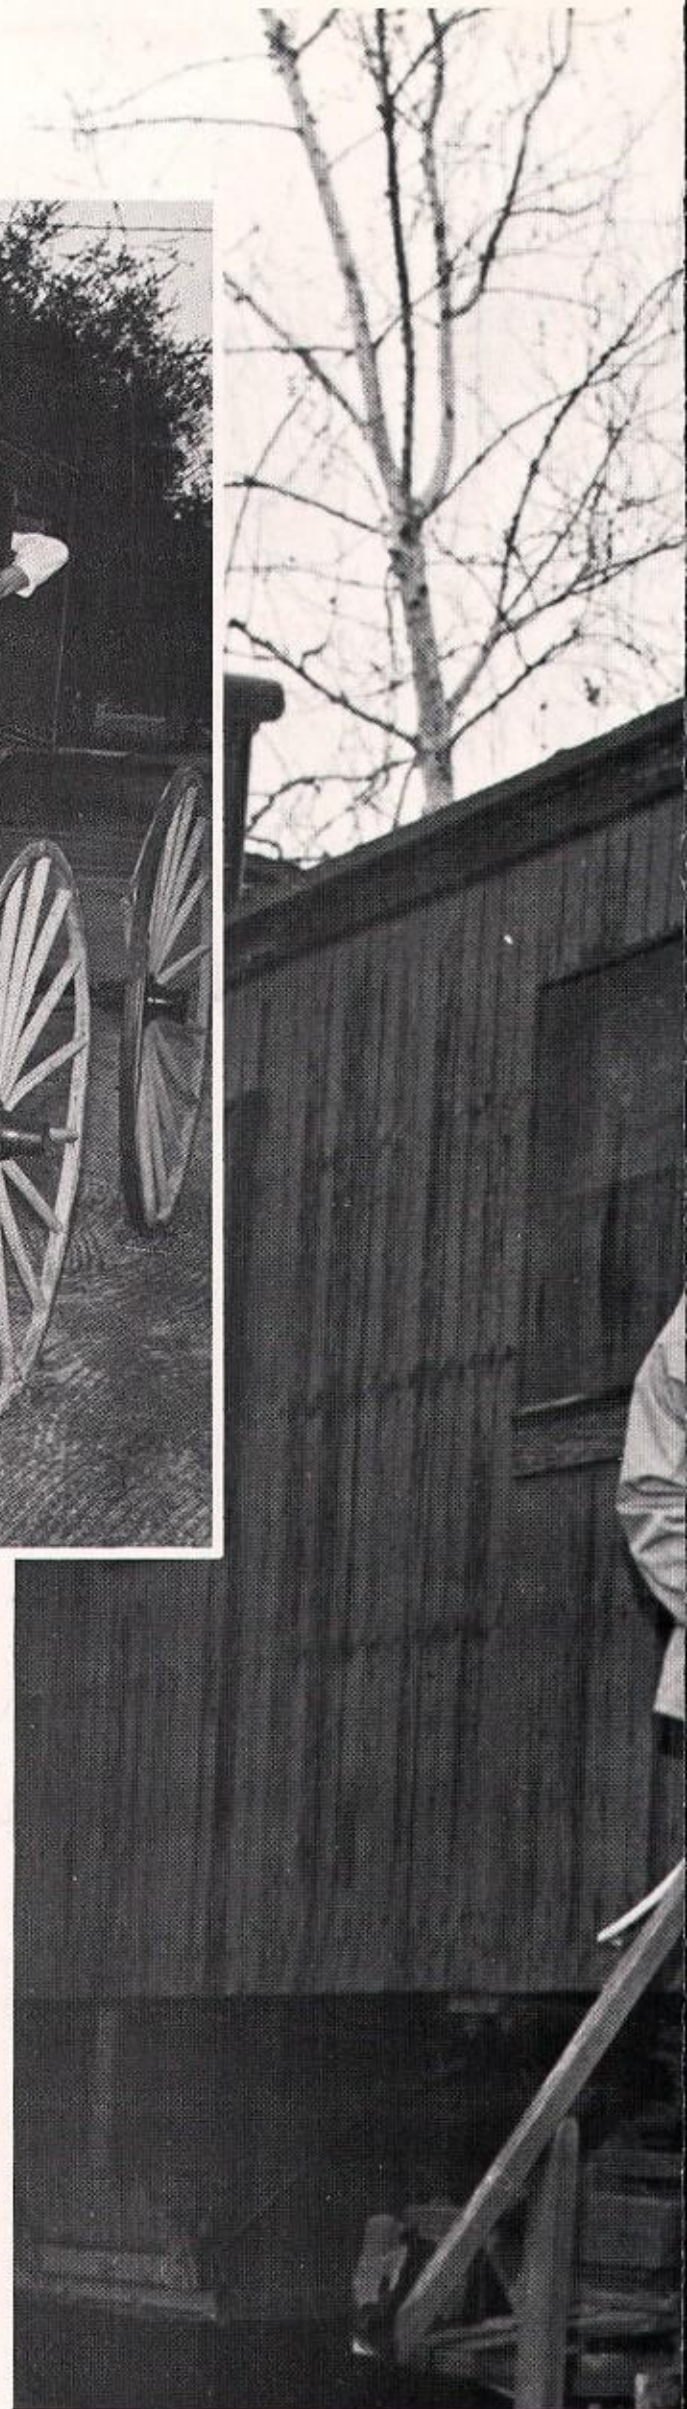

Co-Editors: Shirley Seibold and Debbie Dalton. Advisor: Mr. Hendrix

Once again, the Yearbook Staff, under the guidance of Mr. Hendrix, completed its mission. At the end of the year, East students were presented with a complete record of their memories—The Sierran.

The staff was led this year by Co-Editors Shirley Seibold and Debbie Dalton. All of the members worked very hard to make the Sierran what it is. Thoroughly dedicated, they sold ads, stayed late to meet deadlines, and created order out of chaos. The entire staff was very proud of their finished product.

Besides making an outstanding contribution to the school, the yearbook members gained valuable experience. Working together on such a large project, they learned how to cooperate and to be responsible in their jobs. Without this, the Sierran could not have become a reality.

Under the guidance of Mr. Jim Carden, the staff, and the editor of our bi-monthly newspaper, the Kernal, expertly met and conquered their deadlines. The Kernal staff with Joyce Johnson as editor, was not only in the know on what was happening at E.B., but also produced many interesting EBite opinions.

This year the Kernal ventured forth with a program, joining beginning and advanced classes. Another "first" was a fascinating column in our Kernal written by our foreign exchange student, Maria Esslinger, of Graz, Austria.

The Kernal staff in preparing for present and future journalistic assignments, attended conferences at U.C.L.A. and Fresno State.

When they weren't busy selling candy, these fine musicians faithfully practiced their instruments with Mr. Southwick directing them. In the spirit of holiday good will, the members had a Christmas party for under-privileged children, went caroling at rest homes, and gave a family a Thanksgiving basket. Many girls also helped to clean up an old home that will become a boys' home. Service Club sponsored many fun activities such as a dance and the Spring Carnival.

## Club gathers concepts of Science

The purpose of Science East, one of the newest and most enthusiastic clubs on campus, was to give the members a chance to further their scientific knowledge and to enable them to put to practical use the concepts of science. To achieve their goal, the members participated in experiments and invited speakers to inform them of the opportunities in science. They also planned several social activities. It was advised by Mr. Chichester.

They found that the students responded enthusiastically to their requests and their finished product.

## Chess Club

After three years absence, the Chess Club made a comeback. Advised by Mr. Neal Lohman and Mrs. Mary Lou Parks, this group of enthusiastic players expounded the merits of chess and created interest among other students. This was the club's goal, while each member's personal aim was to attain his highest degree of concentration and skill. To each of these objectives the club held tournaments and invited experts to speak at their meetings.

This year Modern Dance Club was organized for the first time in seven years. The club, composed of about thirty-two active members, worked mainly on basic skills and movements to put together a graceful pantomime. Their plans were largely just for a show in March for the girl's P.E. classes, but next year they hope to have a regular on-stage performance for the school.

# Spanish Honor Society

The Spanish Honor Society, advised by Mrs. Avenell, was composed of outstanding students who wanted to increase their knowledge of Spanish. To accomplish this goal, the club conducted all the meetings in Spanish to give the members an opportunity to use the language outside of the classroom. Some of the members also tutored beginning students.

LEFT TO RIGHT: Delia Reyes, Rachel Vielma, Deenee Horton, Jennifer Sughrue, Jesus Ruiz, Lyle Swallow, Mark Chavez, Debby Wings, April Rodewald, Claudia Dodd.

Outing Club provided many students with new exciting experiences. It was designed to better educate and acquaint the members with the benefits of the outdoors, and to give them a greater understanding and appreciation of nature. Plans for this year included a successful candle sale and car waxing project. The money raised from these projects was used to sponsor their outing and campouts.

The Bowling Club was formed this year by a small group of enthusiasts advised by Mr. Sunderland. Some were experts and beginners but all have become a credit to East High. The members played in several tournaments against other high schools and they placed first. This was the result of many hours work as they practiced every Wednesday. Their transportation to and from Freddie's was furnished by the Bowling Academy bus. The Academy also gave each member a bowling shirt.

## Photography aided Sierran

Mr. Flanagin's photography class has always been a great help to the Sierran staff. This small enthusiastic group of students worked hard to improve their pictures and they were very willing to take time from their own projects to assist in the production of yearbook pictures. Their cooperation was truly appreciated.

## Varsity Club

Varsity Club is made up of those boys who have earned varsity letters or have lettered in "B" class for three years. They have been a great help in promoting school spirit and helping out all around the campus.

Advisors, Mr. Krafve and Mr. Weinmann have helped to make Varsity Club become one of the most respected clubs on campus.

# Faculty

## Principal says: Be successful in the role you accept for yourself

All the world is a stage and everyone must play his part, according to Shakespeare. Translated in the modern idiom of youth, it could be stated, "All the world is my pad and I must do my thing."

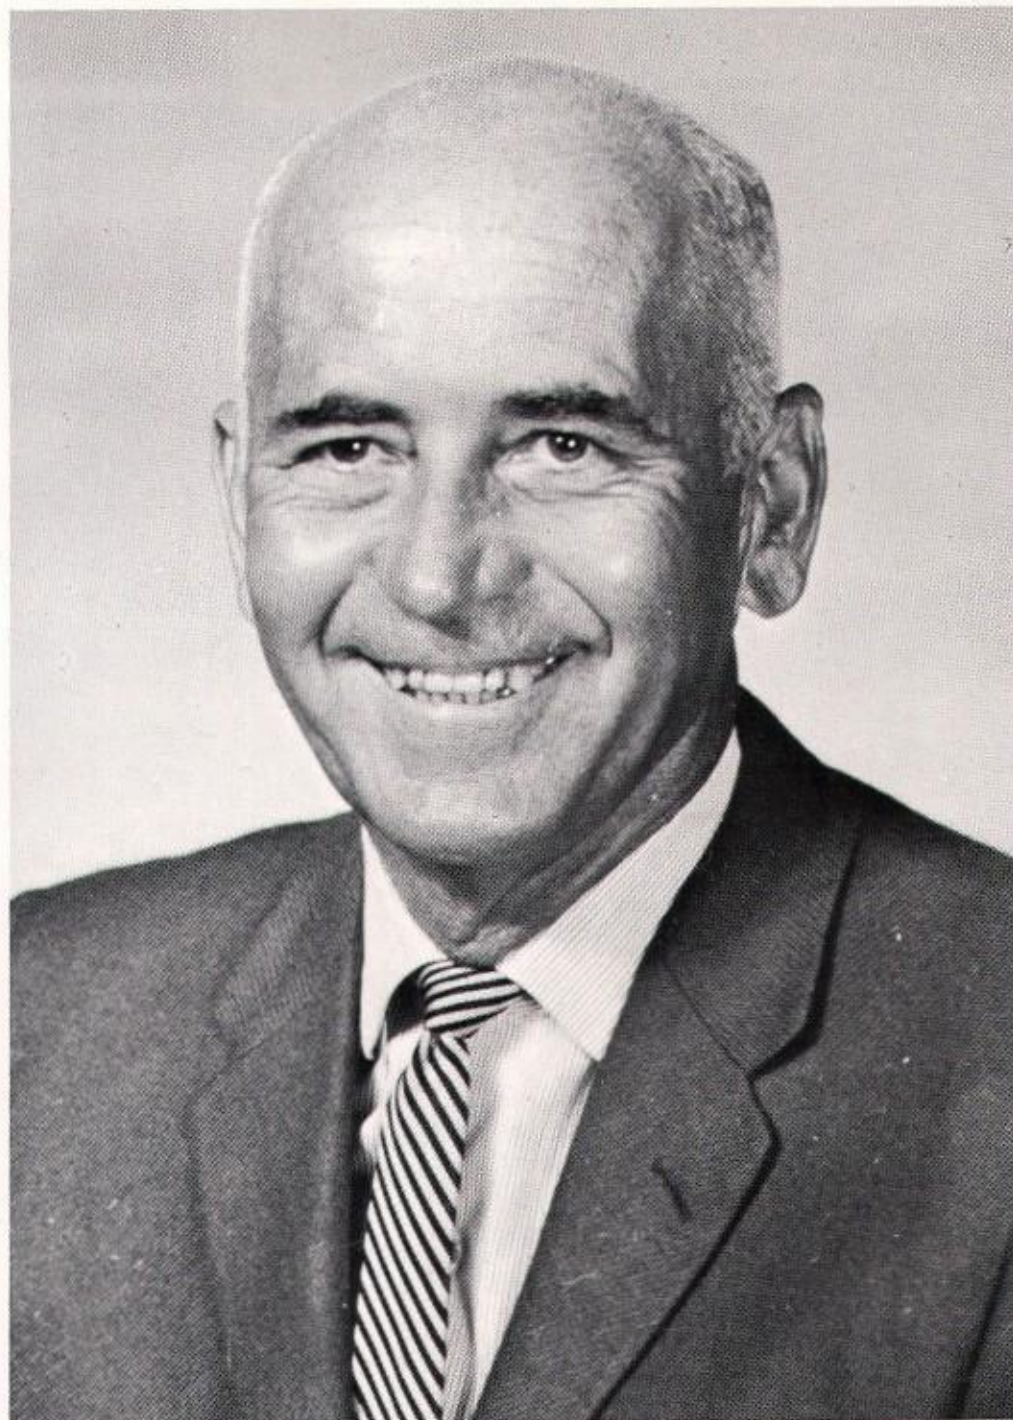

Each of you is playing a role in this real life drama. At present it is the role of a student—a role of preparation—of refining. Many people are available and eager to assist you, but they can only assist; you will determine the role.

A plain bar of iron is worth \$5.00, but when made into horse shoes its value is worth \$50.00, when made into needles, the value increases to \$5,000.00, and when made into balance springs for fine watches the value is \$5,000,000.00.

Your worth to fellow man and to society is proportionate to how much you submit yourself to the refining process to the amount of preparation you make.

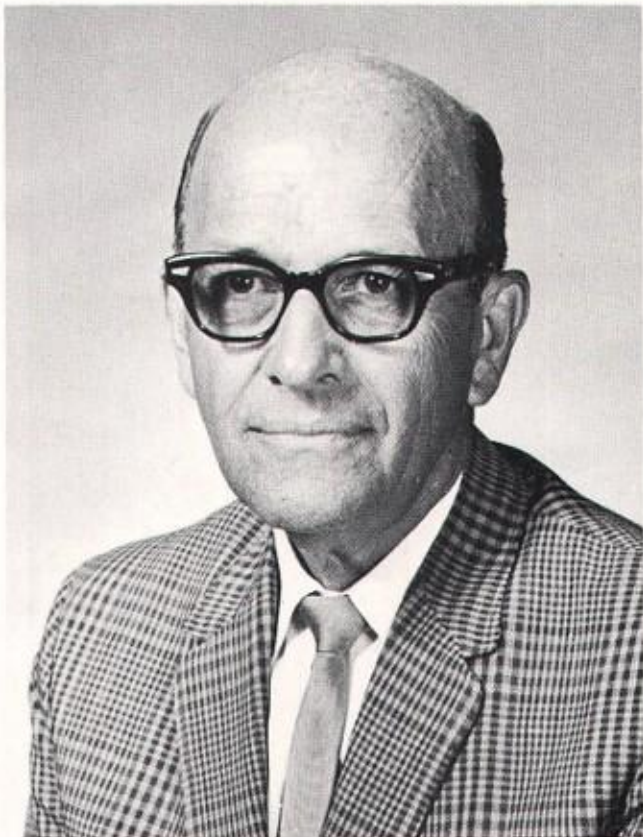

My hope for each of you is that you will be successful in the role you accept for yourself.

Sincerely,  
E. C. Mills

## For Years of Service a Well

### MR. E. R. DICKINSON

East High lost a dedicated employee to retirement this year. Mr. E. R. Dickinson, head custodian, retired in February after 27 years. Mr. Dickinson leaves with memories of having enjoyed the students, but says in his opinion they could have done more to improve the appearance of the cafeteria and student center.

As head custodian Mr. Dickinson was in charge of a staff of 19 men and 2 women.

He came to East High as a custodian in 1942 and advanced to the position of head custodian in 1952. He plans to stay busy traveling and working for his church and its Sunday School.

### MR. LEONARD "STUB" TATE

"Everyday has been an experience and I want to remember it all," says Mr. Leonard Tate retiring E. B. mentor of 26 years. He said some of his favorite moments have been watching the spirited students when they're actively participating in sports and he's really going to miss them.

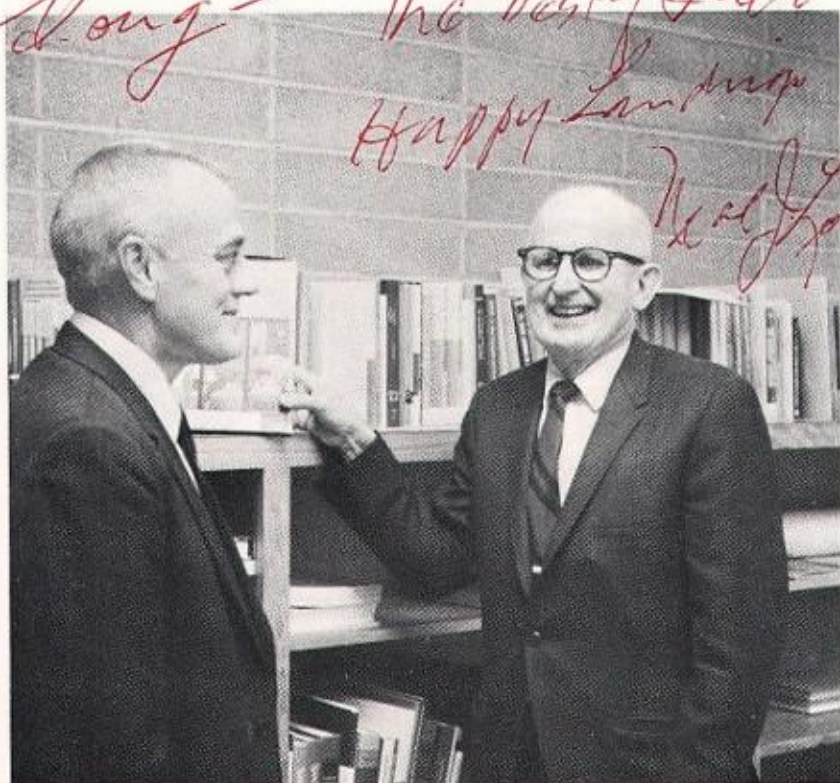

An enthusiastic participant in East High activities, Mr. Tate has coached football and track and been advisor to both the rifle club and industrial arts club.

Now that he is free of the demanding schedule of teaching he wants his time to be his own so that he can relax and enjoy the things he's always wanted to do. His future plans call for lots of travel, hunting, fishing, golf, fixing up old cars, and substitute teaching. The teaching profession owes a debt of gratitude to this devoted veteran of 31 years.

# Earned Retirement

MR. NEAL LOHMAN

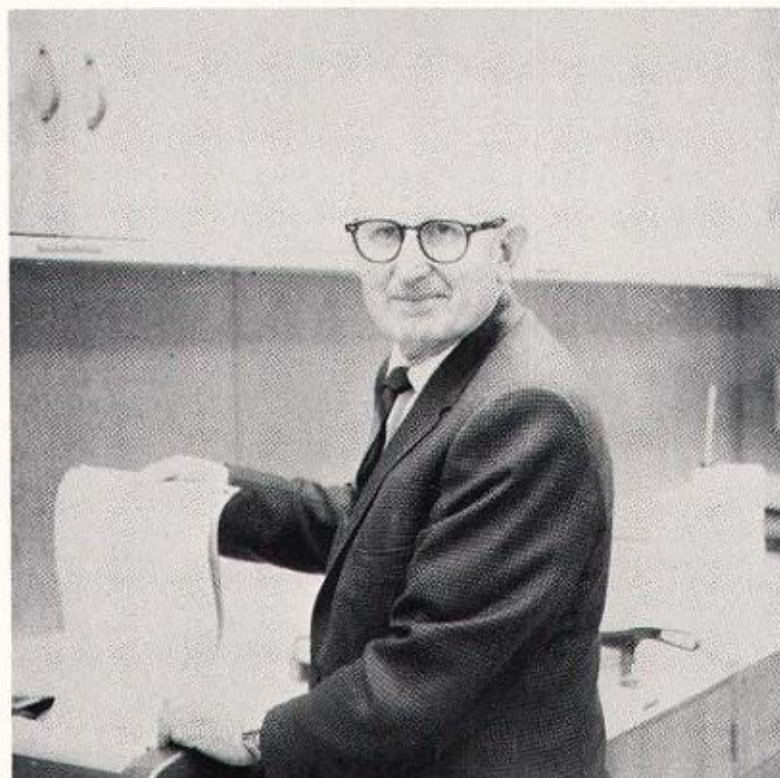

Retiring after 25 years of teaching is Mr. Neal Lohman, East High algebra, geometry, and general math instructor.

Mr. Lohman has been advisor to the Hi Y Club for 10 years and has been co-advisor of East High's Chess Club, with Mrs. Mary Lou Parks.

The most memorable moment of his teaching career came in 1966, when he was chosen as "Teacher of the Year". He was honored as such at a banquet.

The fine student body and faculty head the list of things he will remember most about his years of teaching at East High.

The addition of a cafeteria, the hexagon building and student store are a few changes he has witnessed in his years at East High. Also, the shop buildings and administration offices were added.

MISS DOT HILDEBRAND

Ending a 33 year career in teaching, 14 of them at East High, is Miss Dot Hildebrand. This means little to the boys, but the girls who have had the privilege of knowing this woman of sincere dedication, realize that high school just would not have been quite the same without her.

Her favorite experiences have been watching girls grow and change between their freshman and senior years. She is proud to have taught at a school where serious problems have rarely been prevalent because of the level-headed capability of our student leaders.

Although she claims Bakersfield as her home she will not be spending much time here in the next 2 years. Along with her aunt and her 24 ft. trailer she will be traveling in Canada, Colorado, Texas, and Florida, visiting relatives along the way and taking time out for fishing, golfing, and just enjoying her freedom.

## Math and Science

Mathematics is man's highest achievement in using logic. It is amazing how something so vast and complex can be developed from our very simple system of numbers and equalities. The only thing limiting the possible uses of mathematics is man's reasoning abilities. The Math Department's aim is to fully develop each student's mathematical abilities. The math courses offered at East High, range from Consumer math, a study of fundamentals, all the way to Math Analysis, and an introduction to Calculus.

The Science Department is constantly expanding to give the students a better background in our highly scientific world. A very special addition the herbarium, a device for storing and preserving plant specimens was added to the department this year. This will allow the students to expand their labs beyond dissecting animals. The chemistry classes have a new Turbo Balance in the laboratory. A pilot class was introduced teaching practical chemistry for nurses technicians and junior college students.

## English and Foreign Language

The English Department is the largest and most complex one at East High. It deals with the most important aspect of education; the ability to communicate. The department has many different classes to fit each student's needs. This year, several new special interest classes have been added. Creative writing is for those who wish to write in a vivid imaginative style. Philosophy students examine and discuss the ideas of great thinkers on different values of life. Comparative religions analyze the beliefs of the world's five great religions. Seniors also have the opportunity to take Humanities, which is a study of the art and thought of different cultural periods, through literature.

East High is fortunate to have such a fine Foreign Language Department. However, too few students realize the value of this opportunity. A foreign language is helpful in many ways. German and Latin are useful in the study of math and science. Personal enjoyment stems from the knowledge of French and Spanish. This year, a new class, Spanish Literature, was offered to native speakers and four year Spanish students.

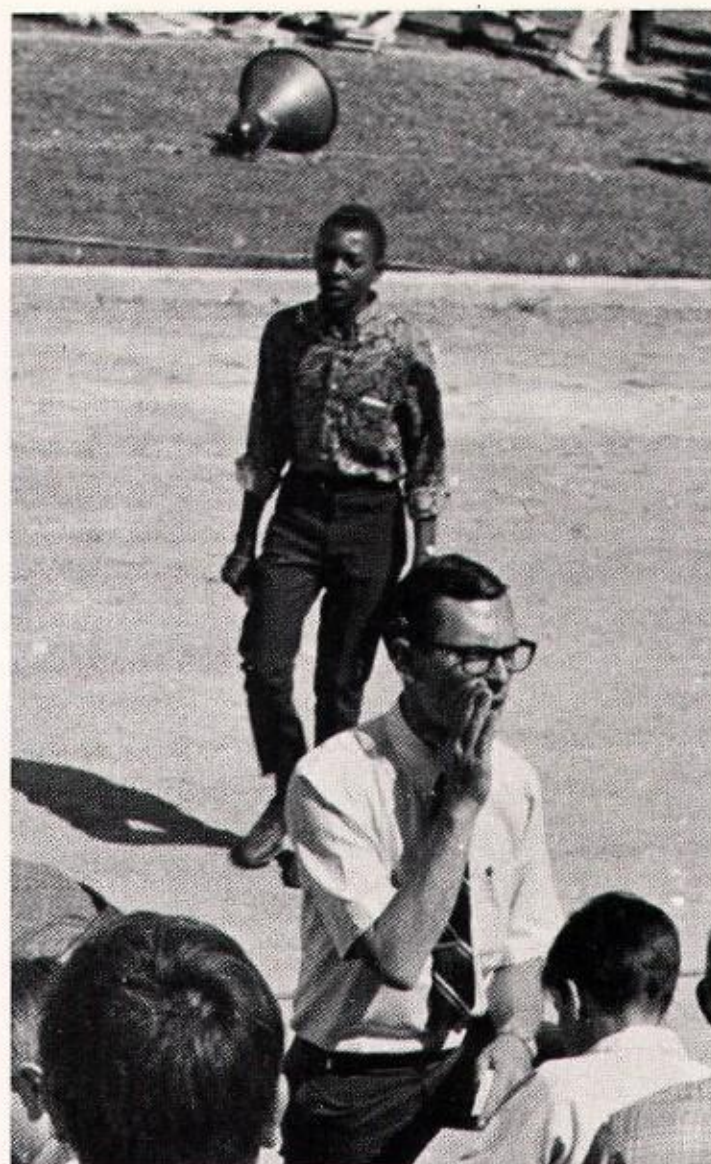

Mr. Grote views a first run of the senior play.

## Art and Music

People have often thought that art classes are merely electives for pleasure. This is true for some students but the department is also turning out serious artists. They can develop their talent in over a dozen different skills. These range from basics such as color knowledge, design, and composition to more advanced skills of etching and sculpture. The artists may display their accomplishments in the East High Art Festival, the Kern County Art Festival and the Poster Contest.

The entire music department was restaffed this year. The choral groups sold a record-breaking 12,000 bars of chocolate. The orchestra also did well financially. In addition to fruitcake, they sold two types of candy. Our band was even bigger and better this year. The new majorettes and the squad of flag carriers added greatly to the magnificence of their marching presentations. Musically, all of the groups maintained East High's tradition of excellence.

Mr. Hanst called the shots with the band this year.

# Physical Education

The Girls P.E. Department offers a wide variety of physical activities for the girls to enjoy. Tennis, golf and swimming are a few of the more common sports offered. The girls also learn some rather unusual sports, each designed to improve skills and abilities. Hockey and fencing help develop stamina and balance. Modern dance and rhythmic balls increases a girls grace and coordination. All of these activities combined, help to make the girls feel and look their best.

The boys P.E. department is devoted to the Greek ideal of physical perfection. To help boys achieve this goal, the department has a great deal of specialized equipment. There are parallel bars, monkey bars, handloops and several of the revolutionary exergenes. The newest addition this year is a very fine Universal Weight Training Machine. All the boys worked out on this and it proved very beneficial. Notice all the bulging muscles on campus!

## Social Studies and Business

This year a new approach was used in U.S. History. The nation's beginning through 1890 was summarized in the first quarter of study. The rest of the year the students concentrated on the 20th century. The library was used extensively to broaden their understanding of these themes.

Sociology also introduced some new ideas to help the student understand himself and others better. This was accomplished through studies of mental illness, intelligence and learning processes. The importance of man's function in society was stressed. Current social problems, group behavior and anthropology were studied.

The business world keeps on growing and our business department expands along ground and understanding of business operations to Business Law which explains all the with it. They offer many courses from business education which gives a student back-legal complexities. This year the department acquired a new steno lab for secretarial practice. The department also acquired 7 very fine new electric typewriters.

# Home Economics and Industrial Arts

The dream of every girl is to get married. The dream of her future mother-in-law is that she be able to cook, sew, and keep house. The Home Economics department helps each girl become the perfect homemaker. To measure her ability, a girl may take the Betty Crocker test. The expert cook can try for the Crisco Award. The girls can try for the Sterling Silver Contest also by writing an essay.

This year the department tried out a new idea. They introduced a special class in boy's cooking. The boys learned to cook such manly dishes as pancakes, hamburgers, and cookies. How good were they? Well they ate everything they made!

First, it was the Industrial Revolution. Now, it is the Technological Revolution. This is what the Industrial Arts Department was undergoing this year. Under the direction of Mr. Stutzman, the department has recently developed new classes which will give students the technical background they need. Many of the new courses such as Industrial Plastics, Fluid Mechanics, Auto and Wood Technology, Aviation, and Electronics were introduced this year.

I could just say what everyone  
else has said but by now its a little old.

So I ask that you keep studying and playing.  
and IBM cards don't spindly or fold.

Doug—

You have been a  
good friend through  
all the hardships  
of Neil. Good  
luck with teachers  
and everything  
else next year

This is your book.  
 We have achieved our goal of portraying to you  
     Our thoughts, ideas, and feelings  
     About East High.  
 Many days the hours were late,  
     The work was tedious,  
     The problems were plentiful.  
 Now that it is finished,  
     We can scarcely recall those days.  
 Instead, we have profitted  
     From the friendships we've made  
     In dealing with all of East High's students.  
 So many of you have aided us  
     In the preparation of the 1969 Sierran  
     That we find it hard to thank all of you,  
     But those of you who read this will know of our deep appreciation.  
 Thank you for this opportunity.

Shirley and Debbie
